### ***MSM MISSION***

Provide a spectrum of learning activities so as to promote holistic development. Design and implement a curriculum that is meticulously planned and rich in content. Ensure a congenial and reassuring atmosphere in school so that every child finds learning joyful. Foster among students a concern for all, especially the less privileged. Inculcate a sense of concern and respect for nature.

### ***MSM VISION***

We visualize MSM as a garden where students are nurtured to blossom to their full potential through the care of parents, teachers and community at large.

## St. Patrick

**S**t. Patrick was born in Britain at the end of the fourth century to wealthy parents. When he was 16 years old, Irish raiders attacked his family estate, captured the teenage Patrick, and transported him to Ireland. Like any person taken away from a loving family, Patrick was lonely and afraid. It is at this point in his life that he turned to God for comfort and guidance, becoming a devout Christian, later deciding to return to Ireland to convert the pagan Irish. He was not the first missionary to go to Ireland, but the others before him had not been of Irish descent and so had little success. Patrick was made a bishop and along with two deacons, arrived in Wicklow in 432 A.D. From then on he covered the length and breadth of Ireland spreading the word of Christ.

After years of selfless service, he left for his eternal reward on 17<sup>th</sup> March, 461. He was later elevated to sainthood as St. Patrick and is the Patron Saint of the Congregation of the Brothers of St. Patrick or the Patrician Brothers as they are popularly known. The Shamrock, a member of the clover family, became a Patrician symbol. It was used by St. Patrick to explain the mystery of the Trinity, its three leaves representing the Trinity (The Father, the Son & the Holy Spirit).

The life of St. Patrick and his prayer “The Breastplate of St. Patrick” continue to inspire the Brothers who strive to see Christ in the people to whom they have committed their lives in serving.

# Principal's Message

*The academic year 2019-20 brought with it many desirable changes, success and achievements. After having already served as Vice Principal in Mount Saint Mary's in the year 2019, heading the school as Principal in 2020 made my post more meaningful as I was on familiar ground, with a lively pulse to feel.*

**"Children are the living messages we send to a time we will not see."**

In our present students, we have our future professionals, doctors, engineers, teachers, businessmen, directors, bankers, motivational speakers, politicians, actors and so much more. For them to be the best in their fields, we have endeavoured to bring out the best in them, while they are still in school. Hence MSM offers each child a plethora of opportunities to come out of their own and strive towards self realization and perfection..... mentally, physically and spiritually.

**" Competition is always a good thing. It forces us to do our best. A monopoly renders people complacent and satisfied with mediocrity "**

Knowing that ours is a competitive world, we encourage our children to take part in both inter as well as intra school activities. This helps them to strive for success and perfection, deal with pressure as well as encouraging teamwork and a sense of community which is so important in today's world. Indeed our students have proved their calibre in various competitions like debates, quizzes, dramatics, athletics, swimming, music, art,

choreography and many more co-curricular activities. MSM was given the honour of participating in this year's Republic Day Celebrations. We represented the Central Public Work Department and were a part of their tableau. **"Hide not your talents, they for use were made. What's a sundial in the shade?"** - Benjamin Franklin

A grand musical extravaganza **"The Prince of Princes"** was put up for Annual Day, thereby giving our students a platform to display their unique talents in the varied world of diverse theatre.

**"A school can work best when teachers and parents work in tandem on behalf of the best interest of their children "**

It pleases me to note the high level of compatibility between our parents and teachers. A special thanks to our parents who have always risen to the occasion and wholeheartedly supported our school in every way. We compel and encourage our students to take their studies more seriously and to respond creatively to challenges of every contemporary predicament. For this we lay emphasis on self reliance and responsibility. Our teachers themselves are encouraged to read more and attend various workshops and seminars so as to widen their own horizons and to expose themselves to newer and more effective methods and ways of teaching and interacting with their students.

**"The best of people is the one who humbles himself the more his rank increases"** - Prophet Mohammed

MSM was delighted to welcome back Rev. Bro. Jerome Ellens as its new Provincial. Brother. Jerome, a man of great humility and wisdom was our principal in 1993 - 1995 . Thereafter he took up the post of Vicar General of the Patrician Brothers, served as Congregational leader for 12 years.

**"Work hard, be kind and amazing things will happen "** - Cohan O'Brien

Great emphasis is laid on the building up of a child's character and personality as this will shape our society into a harmonious one. Our morning assemblies are based on values like honesty, fairness, tolerance, compassion, respect, forgiveness and so on. These assemblies have greatly benefited us all.

**"It takes a lot of hard work to make something simple, to truly understand the underlying challenges and come up with elegant solutions."**

- Steve Jobs

My special thanks to our editorial board and all those who have brought **"The Marian"** to fruition. Through this book we relive the year gone by.

**"Children must be taught HOW to think, not WHAT to think"** - Margaret Mead

Let us continue to work together to make our school a place where children learn enough worthwhile things so that it will make it easier for them to make a strong start in life.

**I wish you the best in everything you do.**

**Bro. Dr. Arockiaraj**  
Principal

## Vice Principal's Message

*Education is one of the best investments that one can make in the future. An educated person has more possibilities of becoming a successful professional since most well paid professions require high educational qualifications and knowledge that is constantly updated. It is extremely important to be alert and observe all that is happening in areas you are interested in, to be able to respond to them quickly and correctly. It is this ability that Mount St. Mary's seeks to inculcate in its students.*

I am privileged to be a part of MSM, to work with the staff and students and to be able to add to my own experience. It really speaks volumes about Mount St. Mary's School, when we interact with alumni, parents and well-wishers of this prestigious institution, and receive appreciation for the education imparted here. This is due to the fact that every teacher tries their best to mould and shape the students into better personalities. This is done with all round development both in academics as well as sports and games. This is proved in the illustrious alumni the school produces and the excellent academic results of the current students.

I feel that this year we all have worked in collaboration to take the school to greater heights. To this end, the school has involved many volunteer parents in our activities. Students were given more opportunities and exposure to realise their talents. We have witnessed this in the students'

performance in various activities held in the school, such as the Annual Day programme, singing, dancing, debates, and all the various sports.

We believe that working together is a gift to the students; we don't even know what the child will become. Today teachers have to be doers. They also have to be dreamers, helpers, mentors, role models, nurturers, and motivators, and that makes all the difference in the school environment.

I extend my gratitude to all the teaching and non-teaching staff members and supportive staff in the school for their constant support to the institution and their untiring efforts to take the school to greater heights. I wish all the best to the staff and children. Let us do our best to make a difference in the world.

**With best wishes,**

**Bro. Sylvanus Kerketta**

Vice Principal

## Senior School Co-ordinator's Message

*“There is no end to education. It is not that you read a book, pass an examination and finish with education. The whole of life, from the moment you are born to the moment you die is a process of learning.”*

*– J. Krishnamurti*

As yet another academic year comes to a close, we look back and try to assess how far we have grown as an institution. It is important that all our student grow to understand the true meaning of education. In the past year MSM has gotten closer to the glories of its past which is solely due to the combined efforts put in by the management, teachers and above all, the students, along with the whole hearted support from the parents and the alumni. It is our aim to arm our students, who hold the future, with skills and moral values that will help them mould the world around them in the best way possible. For “Education is the passport to the future, for tomorrow belongs to those who prepare for it today.” It was a year of satisfaction as we marched forward with success in every field be it sports, cultural events or inter school competitions. It was a proud moment for the school when 14 students and 3 teachers of our school led the CPWD tableau in the Republic Day Parade on 26<sup>th</sup> January, 2020 and secured the first position.

In the past year we've witnessed spectacular events of which the one that stands out the most would be the Annual Day in which the young Marians presented the “The Happy Prince” of the 21<sup>st</sup> century. As we saw the grounds of MSM lit up with a veritable spectrum of colours and light. We

truly believe that the strings that hold us together are those of teamwork and perseverance. And every event that outdoes the last one only strengthens our belief, because in MSM we value morals, and principles as much as we value academics. As Aristotle once said, “Educating the mind without educating the heart is no education at all.”

I congratulate Ms, Mridula Keswani and all members of the editorial team for working tirelessly towards the completion of the school magazine which encompasses the life of every Marian in the very best way possible.

As the door closes on another year, we thank the Lord Almighty for keeping us in the palm of His hand and guiding us through every venture, safely and successfully, and pray that He will always do so.

With best wishes to all,

**Mr. Geo Mathew**

Senior School Coordinator

## Middle School Co-ordinator's Message

**Y**ear “2019-2020” - A year of achievement for MSM. A year of trials and triumphs of dreams and development.

- Our school received 3 prestigious awards.
- Certificate of achievement - India's Top CBSE School for sports education presented by Education Today.
- Indian School Awards One of the top 100 favourite schools of the year 2019 - For valuable contribution to educational society and as a dynamic supporter for our youth.
- School Excellence Award, Top 500 Schools of India – Categories of Best CBSE School, Influential School Brand, Sports Creative School presented by Brain Feed.

Parikul Bhardwaj of class 9 made us proud by winning the National Bravery Award 2020.

'**The Prince of Princes,**' a spectacular kaleidoscope of human virtues and environmental issues presented through dance, drama and music on the 56th Annual Day involved all the students of MSM.

The successful completion of the event was a test of calibre, discipline, commitment of the staff and students and co-operation of the parents.

A true Marian is rooted in reality yet yearns to touch the sky.

Our students are not only well groomed in values but also in academics, extra-curricular activities, sports and games through inter and intra school activities. I am sure that they will be a catalyst to change society for the better, whose values will be able to stand the test of time and become closer to God. MSM is constantly harping on the necessity of peace, caring for the underprivileged, protecting the environment and its flora and fauna.

Year 1996, MSM opened its door for me to become a part of this great institution. The dedication, values, farsightedness and calibre of Patrician brothers takes MSM to greater heights. The inspiring staff with their unending support and cooperation create a loving MSM Family. The inquisitive, innocent and dynamic students keep us youthful. The campus is kept green, spic and span by the tireless and ever ready support staff. The whole hearted support from the parents and alumni helps to crystallize all that we strive for. MSM is a home away from home. I leave MSM after 24 years with mixed memories and learning of a lifetime. I express my heartfelt appreciation and gratitude to each and everyone of you.

I thank and congratulate all the members of the editorial board for their wonderful creativity and long hours of hard work that went into the production of The Marian 2019–2020.

I conclude with these lines by St. Mother Teresa,

**Life is a challenge, meet it.**

**Life is a duty, complete it.**

**Life is a game, play it.**

**Life is a promise, fulfil it.**

Junior School  
Co-ordinator's Message

*“One's destination is never a place, but a new way of looking at things”*

*– Henry Miller*

*Reaching out, moving on, looking beyond, searching for ways and means to grow in every way, is the ultimate quest of every human. We all want to better ourselves and our lives.*

*However, along this way, may we be reminded that we travel not alone but with others too. It's best if we move together as a team sharing ideas, thoughts, plans, experiences, joys and sorrows.*

**W**e all have something valuable to learn from someone else. We also have something considerably important to share with others.

School is a little world in itself. Hence, we have a family too that consists of parents, children, administrators, helpers and teachers. There are goals to be realized, achievements to achieve and varied situations to experience. In school, learning takes place both formally and informally within a social hub of a family called Mount St. Mary's.

Our school has high expectations of every child. Leadership is encouraged and so is creativity. Each child is a separate person and understandably different from the other. Each child is taken into separate consideration and treated thus. We are all fully aware that each of our buds will bloom at a different time, so patience and tolerance is shown towards all. We teach our students to accept

success with joy and gratitude, failure is to be treated as an important lesson to learn from.

For all activities, we emphasize more on the fun of participation, the satisfaction of doing one's best, the unfolding of the present moment and the joy of simply being there.

We believe if a child is allowed to work in an environment without fear, he will automatically have a high level of confidence and thereby be able to cope with any stress later in life. MSM thus helps to prepare a child to face the final examination called **LIFE**.

Within each child lies a treasure and we in MSM help the children bring out the very best in themselves.

**“Sometimes it takes a crisis to shake us from our routine and push us to a better path.”**

*– Abraham Lincoln*

Now as the current pandemic has hit us hard, we are being forced to sit up and make major changes. With schools being temporarily closed teachers have ensured that education is not paused or marred in any way. Online classes have taken over classrooms.

**“Keeping together is progress, working together is success. Success takes care of itself, when everybody moves together forward.”**

– Henry Ford

My words, written or spoken, can never be enough, to say thank you to you dear parents for working with us. In good times and challenging times, you proved yourselves to be steadfast and willing to work with us.

A special thanks to my Junior School Staff for their positive attitude towards our students, parents,

colleagues and the administration. It is easy to see that they enjoy their work and have proved time and again that MSM is an extension of their family.

Working under our Principal Rev. Bro. Dr. Arockiaraj has been a delightful experience. His calm demeanour, peaceful presence and his ability to make quick and proper decisions has proved that he is a man of quiet wisdom.

Our Vice Principal Rev. Bro. Sylvanus has always maintained an aura of approachability and good humour. His knowledge of fauna and flora is immense and fascinating.

Most of all I thank the Almighty for being kind and benevolent to all of us. Our trust in God has never gone in vain. We in MSM continue to pray for his divine protection and love.

**As I walk through my days,  
I pray to my God.  
To open my heart,  
To those in need.  
Let me not seek acclaim,  
In the eyes of men.  
But to be approved of by the divine,**

**In all that I do.  
Let my thoughts be kind,  
And appreciative of all.  
Help me see the good in everyone,  
Let me make a difference in everyone's life,  
But only for the better and progress of all.**

God bless us all!!

# Editorial

We seem to be living in paradoxical times. The millennials are on the cusp of a way of being which is neither faithfully traditional, nor uncritically 'Insta'. They are neither the last spokespersons for a Pre-LPG Generation, nor wholeheartedly sold to the vagaries of the Virtual World. Caught between these two extremes, they apparently have had the best of both worlds, yet find themselves ill at ease in both of them. This is simultaneously their boon and bane. To some, they appear to be Having their Cake and Eating it too. To others, it is akin to being between the Devil and the Deep Sea.

The current crop of educationists hails from this mixed bag of delight and bewilderment, and I am one of them. Having grown up before our world was invaded by the annoying omnipresence of the Internet and Social Media, my childhood was both pristinely idyllic and relatively carefree. Our greatest triumphs lay in convincing our parents to let us stay up late to watch a movie and our greatest happiness, in bargaining for an extra ride on the Jhulewala's swing.

How many likes did my last share get? How many followers on Twitter do I have? These were never a measure of our emotional well-being. And that is perhaps the greatest challenge for the current IGEN! To find meaning in silence and contentment in a task well done. Everything; every thought, every opinion, every fleeting emotion doesn't have to be spelt out loud for everyone to hear. The need to express oneself has to be accompanied by a willingness to listen. To listen with curiosity, with empathy and eventually with patience.

The mantra 'BE YOURSELF' veers dangerously close to narcissistic megalomania if it flourishes in a social landscape devoid of genuine human interaction. And the current time; stripped of the fundamental conveniences of everyday living has taught us just that. We don't need the fanciful falsities of modern living to enjoy life. Life is most meaningful, when uncluttered by meaningless noise, and most joyful when we treat one another with kindness, respect and patience. This ongoing pandemic is also a long overdue lesson in Marathon running; a lesson deeply indoctrinated in all Marians.

If there is one quality which distinguishes a Marian, it is the refusal to give up. A quality painstakingly and relentlessly passed on from every teacher to student, from every senior to their junior. Our unique Value Education Curriculum and countless Social Outreach Programmes, inculcate a sense of social responsibility in

our students. The session 2019-20 was an ode to our Marathon skills as we put up the Annual Day Celebration and hosted the First Bishop Daniel Delany Inter-School Swimming Championship, among other things.

Under the benevolent guidance of our Principal Rev. Bro. Dr. Arockiaraj, Superior and Vice-Principal Bro. Sylvanus Kerketta, and the Coordinators, we were encouraged to go the extra mile, to see if we could surprise ourselves. I extend a heartfelt gratitude to all the members of the Magazine Committee, for their unmitigated support and help, and hope that the readers will enjoy the fruit of our labour.

# BASKING

## IN MSM'S GLORY

*The session 2019-20 was a harbinger of many joyful tidings for MSM. The foremost among them was the recognition bestowed upon our Institution by myriad organisations.*

- ◆ Education Today presented to MSM, the Certificate of Achievement for being India's Top CBSE School in the field of Sports Education.
- ◆ BML Munjal University recognised MSM as one of the Top 100 Favourite Schools for its invaluable contribution as a Supporter for the Youth, and for its contribution to Society and Education.
- ◆ Brainfeed conferred on MSM, the honour of being one of the Top 500 Schools of India in the field of Sports and Creative and Innovative Thinking.

# Farewell to BRO Saji U.J.

“ Good bye ! A kind good - bye,  
I bid you now, my friend ,  
And though 'tis sad to speak the word,  
To Destiny I bend.”

~ Mark Twain

On 14th May 2019, MSM sorrowfully bid farewell to an illustrious and dedicated luminary, Rev. Bro. Saji V. J. After four glorious and memory filled years as our Principal, Bro. Saji bid adieu to the staff and students of MSM. In honour of the solemn occasion, a special assembly was conducted for him. It gave students and teachers a chance to express their feelings at his departure and to wish him the best of luck for his future endeavours. Students were told of Bro. Saji's journey through the Patrician Brothers from starting out as a young and energetic teen to a mature and wise Principal. A student, Kisha Jain, of class 11 A, recited a self - composed poem in Hindi to show our feelings of gratitude and respect for Brother. The choir performed a beautiful rendition of the old farewell classic, 'Leaving On A Jet Plane' by John Lennon. To express what we could not put into

words, the Junior School students performed a heartbreaking qawwali 'Kaise Kahen Alvida'. The true highlight of the show was when a little girl came upon the stage to say good bye to Brother in Malayalam, his mother tongue. The dance troupe performed an EDM-Classical fusion of Bharatnatyam to the bass of an English - Malayali song. Bro. Arockiaraj and Mrs. Kotnala said a few words to express their affection and respect for Brother. In the end Brother Saji left us with a few inspiring and golden words of advice in his last ever speech in the MSM auditorium. Saying our final goodbyes to him was an event both bitter and sweet as the students waved and cheered for him.

# Annual Day 2019

Our school held the Annual Day on 16th November 2019. The main event of the evening was the mega musical "the Prince of Princes", an adaptation of Oscar Wilde's "The Happy Prince". The play provided all the students a platform to showcase their talents in acting, singing and dancing. I played the role of the Swallow and for me it was a totally new experience. I got to learn something new every day at rehearsals. The way we all got together and worked as a team was admirable. The feeling of being one of the protagonists was overwhelming.

Whenever my juniors saw me and called me the 'Main Swallow' it made me feel proud and privileged to have such an important role. We formed a precious bond with all the teachers in charge as they guided us through the practices as well as with all my co-actors and the voice overs who were a huge support throughout. I loved how our practices did not just become a monotonous routine but new challenges and new perspectives came our way each day. As the days passed by the pressure as well as the excitement increased. Two days prior to the Annual Day we had a full dress rehearsal where we saw our stage for the first time and went gaga over it. On the final day, we all were wishing each other luck and practising all our lines. I cannot explain the butterflies I had in my stomach right before I had to go on the stage. But one of my teachers told me to keep calm and just enjoy my time on the stage. Sing like I owned the crowd and act as though I truly was a swallow. That inspired me and motivated me to give my 100%. Everyone gave their best performance on the final day making the Annual Day a grand success, and a memory that I will always cherish.

# ANNUAL DAY REPORT

## ***MSM is a happy place***

Its joyous spirit greets you as you cross the threshold. With lush green lawns, blooming buds and the bright sun smiling down at the luxuriant flora, MSM's first glance is certain to transport you to a romantic landscape. With a spring in their step and a smile on their faces, the tiny tots pause, at the grotto, to pay respect to the patroness and guardian of the school; Mother Mary. In her white serenity, our Patroness epitomizes the pure essence of our school's education.

In the spirit of **ST. PATRICK**, we seek to nurture students who are intellectually vibrant, emotionally sensitive and spiritually evolved. Children begin their day with a 10 minute Vipasana prelude which sets the tone for the day. MSM is a school with a soul and a social conscience. We host regular evening classes for the underprivileged children. The 'Services for People' club is proactive in generously giving back to society. This year, the Marians visited The Dil Se Foundation and the Sewa projects are an extension of our conscientious community spirit.

Several other clubs of the school like the Ecology Club and the Science Club have taken upon their shoulders, the responsibility of preserving the environment. Tree plantations drives and campaigns such as **SAY NO TO PLASTIC, A HEALTHY MIND IN A HEALTHY BODY** are a regular feature of our morning assemblies. Morning assemblies are followed by daily yoga and aerobics classes, to ensure that the students keep fit.

125 Students from MSM participated in the **SOLAR LAMP ASSEMBLY WORKSHOP** at Indra Gandhi Stadium on 2nd October 2019. The unanimous effort to conserve energy was a befitting tribute to the Father of the Nation. To broaden students' horizons and enable them to look beyond their usual vantage points, the school organized trips to the Rashtrapati Bhavan and NASA.

This year, the school has begun new HR practices to appreciate and value the uniqueness and contribution of each member of the staff. The selfless and unrelenting efforts of the faculty helps to maintain an ambience which is safe, loving and re-assuring. Students' safety is of prime importance to us and teachers can be seen taking attendance and escorting students to their buses for afternoon bus duty.

# Reliving The **NASA** Days

The school trip to USA, especially NASA led by the efficient team of Bro. Sylvanus Kerketta and Mrs. Neelam Kotnala was wonderful, exciting and a lifetime learning experience. The NASA visit provided an insight to the students about space life; its hardships, astronauts life and various technicalities of spaceship working. Activities like moonwalk, microgravity, hands on experience of space shuttle working and listening to the experiences of eminent astronauts motivated students towards space and astronomy, giving a leap to their intellectual level. As holistic development of the child is the need of the day, students had immense fun in DISNEYLAND, UNIVERSAL STUDIOS along with a guided knowledgeable trip to places like LINCOLN MEMORIAL, STATUE OF LIBERTY, WHITE HOUSE etc. It was an overall enriching and enchanting experience!!!

**Shaurya Malik - 7A**

Excursion to NASA was a dream come true for me. We took off from Delhi by Emirates on 31st October and Landed back on 12th November. There were a total of 16 Students in the group. Our trip started from Orlando where we participated in the NASA camp for 03 days. This was really educative as they ensured our participation by giving us small projects. Weather too was pleasant there. We flew to Buffalo to see world famous Niagara falls. Subsequently, we visited Washington DC, New Jersey and New York. Visiting the White House was indeed the icing on the cake. Our Vice Principal, Bro. Sylvanus and our Junior School Coordinator, Mrs. Neelam Kotnala, who accompanied us were very caring and supportive. We had a lot of fun during the tour and the pleasant memories of this excursion are going to remain in our minds for a very long time to come.

**Garima Tyagi - 10B**

I have visited many places in the world, but this was the best trip so far. When I saw the board of 'Kennedy Space Center', I was very excited, as I want to be an astronaut one day. We also went to other places like Orlando, Buffalo, Washington DC and New York. I was mesmerized to see the beauty of these places.

# Investiture Ceremony

***"A leader is the one who knows the way,  
shows the way and goes the way"***

On 20th July, 2019, 35 young leaders of MSM were sworn in as the newly elected Student Council; to shoulder the responsibility of leading their houses to glory in the days to come. It was a proud moment for the Council members and their parents. The ceremony commenced with the Principal Bro. Arockiaraj swearing in the White House, followed by the Captains and Vice Captains who were sworn in by their respective House Coordinators. In the end, the audience witnessed the swearing in of the Prefects who were appointed to help their Captains and Vice Captains lift the various trophies spread over the year.

The Head Boy concluded the ceremony with a prayer to invoke God's blessing, which was followed by the exhilarating words of our Chief Guest. It was a memorable day in the history of our alma mater, Mount St. Mary's as we progressed into a fresh year.

Red – Our colour. Red is the colour of fire and blood, power, courage and leadership. So are we, full of energy and the life of the school. We are Hogan house.

Fulminis Instar is our motto meaning 'Let us shine with Gods blessings'. This gives us the motivation and impetus to move forward. Our strength is hardwork and teamwork. Be it be Cultural Fiesta, Bulletin Board or Sports Activities, we give our best. Our house coordinators Mrs. Lata Nandakumar and Mrs. S. Dubey have been the constant backbone of this house and a major factor in motivating us to work harder each day. As for the council members, in our endeavour to do better, we came out as passionate leaders, talented team mates and compassionate comrades. Even though our house did not have many triumphs this year, yet we learned and moved on. We drew inspiration from each other and with an encouraging smile we said “we will do better next year”. Hogan House is glorious and full of energy & enthusiasm.

May the red flag fly high, always.

**"Coming together is a beginning; keeping together is progress; working together is success."**

The academic year of 2019-2020 brought with it new hopes, new aspirations, new commitments and many more victories to follow. As I dig into the past, my thoughts loiter back to the day when we were given the responsibility of being a prefect of Hughes House. The major events during the year were the Cultural Fiesta, Aquatic Meet and Sports Day. We kept our eyes on small steps which helped us move forward and strive. "If you learn from your defeat, you haven't really lost", keeping this thought in mind we learnt from our mistakes and tried to rectify them. It was the perseverance and hardwork of the students which at the end helped us achieve the Second 'BEST HOUSE- MARCH PAST' on the Sports Day. The house students made the year memorable indeed by showing their outstanding talents. It was a bewildering year which taught us all teamwork, loyalty towards the house and also boosted our morale. It was a year which cannot be forgotten.

'Keep your eyes on the stars and feet on the ground!', the spirit which flourishes in the hearts and minds of each student of Parkinson house. Getting the first position throughout the year in bulletin board and showcasing our talent whether it is the morning assembly or sports day or any other cultural event, we have put our best foot forward always.

Our house color green is full of life, energy and vigor. The house serves as a platform for each and every member to showcase our talents and develop our skills for the betterment. Competitive zeal and indomitable will power was found to be alive in the students of the house who took strength from their ongoing spirits.

Every student could feel the exhilaration of victory when we won all the trophies be it 'Best Disciplined House', 'Best House in Marching' or the esteemed 'Best House Overall' trophy, it was all ours. We would like to express our sincere gratitude to our Principal Reverend Bro. Dr. Arockiaraj, our Vice Principal and Sports Secretary Reverend Bro. Sylvanus and our Coordinators Mr. Geo Mathew and Mrs. Filomina Jose for their unstinted support and guidance.

Our House Coordinators Ms. Savita Saxena and Mrs. Tessy John have been zealously working and their efforts have paid off as the house has grown from strength to strength. Last but not the least the Parkinson House Council members and the entire Parkinson house for their wholehearted participation and enthusiasm.

With glorious achievements under one cap this year, we have come a long way and hope to continue our winning streak in the coming years.

# PRICE HOUSE

**SITTING (L-R):** Aarav Tanwar, Mrs. Raj Rani Verma, Ms. Sheetal Dawra, Rhythm Goel

**STANDING 1<sup>ST</sup> ROW(L-R):** Lavanya Dua, Gauri Rampal

**STANDING 2<sup>ND</sup> ROW(L-R):** Kamakshi Gupta, Sidharth Singh

**STANDING 3<sup>RD</sup> ROW(L-R):** Devansh Chaudhary, Raghav Kapoor

**“Everything that is excellent comes when the sleeping soul is aroused to self conscious activity.”**

With feet firm and heads erect, the fraternity of Price House raises its flag with immense pride and honour. Not just a flag to us, but representing tranquility, patience, dignity, peace and stability, it has made ourselves believe that we are unstoppable.

Under the able guidance, auspices and motivation of our House Coordinators, House Teachers, Captain, Vice Captain and Prefects, Price House bagged many coveted trophies this year.

An earnest hope to prosper and thrive this year had become our vision and plan of action. We bagged the 'Best House Overall', 'Best Cheering' and 'Best Discipline' in the Cultural Fiesta, the 'Best House Overall' in the Aquatic Meet and the second best house in 'Discipline' and 'March Past' in the Annual Sports Day.

Throughout the year, we were fearless,

And triumphs for us became limitless!

We worked tirelessly each day and night, leaving no stone unturned. With our steps sustained, we had a strong desire to influence all to make them believe in themselves and achieve the impossible. It's not whether we get knocked down, it's how we get up again! Goals were never easy to us, our vision pushed us to work, even when the goals were rugged. And in this hustle, we gave our 110% all the time! We may have encountered defeats, but we were not defeated. We allude to the concept that success is formed in the mind before it is manifested in reality.

# LABOUR DAY

## LABOUR DAY

– Shramik Diwas

We rarely ever acknowledge the smoothness with which our lives go on, how our gardens are always tended, our classrooms are always clean and how that fused light bulb gets fixed the next morning. It's the labourers who work tirelessly behind the scenes to make the world a cleaner (and flowerier!) place for us. So, to show our appreciation, we students chose a glorious sunny May 1<sup>st</sup> morning and invited all the support staff to an assembly organized just for them. We kicked off with a stirring rendition of the song "Saathi Haath Badhana." Many helpers who had dedicated 25 years of service to the institution were felicitated. We all showed appreciation by giving sweets and cards to all the guests. It was indeed a day for us to count the blessings showered upon us by God. It helped us to understand the true meaning of the word "shramm" or work.

# PLANTATION DRIVE

With the growing threat to the environment and our planet, we are in dire need of a full detox if we want to continue living here. There is no other 'Earth' and we're ruining the only one we have, with absolutely no regrets. Small steps by each individual can bring huge changes... which is why the students of Mount St. Mary's organised a plantation drive on 31st July 2019. Clean MSM, Green MSM. Our Principal Rev. Bro. Dr. Arockiaraj, our Vice Principal Rev. Bro. Sylvanus Kerketta, Senior School Coordinator Mr. Geo Matthew, Middle School Coordinator Mrs. Filomina Jose and our Junior School Coordinator Mrs. Neelam Kotnala along with students of classes six and seven planted saplings in the school's 'Shantiniketan', as their contribution towards supporting a cleaner, greener and healthier environment for us all. The children also made posters and read out poems expressing their concern for the same.

## Teachers' Workshop

On 7th September 2019, the teachers of Mount St. Mary's School attended a workshop led by eminent and accomplished resource persons- Ms. Samridhi Sagar and Dr. Asher R. Jesudoss. School-going children spend a greater part of their day in classrooms, and for teaching and learning to be truly effective, it is important that classrooms are safe, happy and welcoming spaces. Happiness in the classroom helps enhance the learning experiences of students, and not only encourages knowledge but also paves way for their personal development.

The one day workshop was divided into two sessions. The first session was conducted by Ms. Samridhi Sagar, a trainer and editor with Ratna Sagar having extensive experience in designing and delivering content in the school educational framework. The topic of her session was 'Happiness Course for Teachers'. In an attempt to revolutionise the teaching learning experience both for the learners and the teachers, it focussed on creating happy classrooms; a concept based on the mandate by CBSE and Delhi government's key stress on happiness curriculum. It centered on creating a happy mindset and outlook for teachers because a happy teacher is pivotal in creating a happy classroom. It also focused on adopting a STAGE framework for personal and professional happiness and success through a range of psychological and physical activities and practices. The same was suggested to be translated to the classrooms for activating positive hormones and subsequently positive response and outlook in students so that they learn better and take pride in what they do.

The second session was conducted by Dr. Asher R. Jesudoss, an IBM-certified Master Trainer, a professional in the fields of Education, Cross-cultural Communication, Organizational Behaviour & Development, Leadership, Content & Curriculum Development and Instructional Design, also a resource person with Ratna Sagar Publications. The subject of his session was 'Classrooms of the 21st Century'. He emphasized that the 21st Century classroom needs are very different from the 20th Century classroom needs. The 21st Century classroom is student centered, not teacher centered. In the 21st Century classroom, teachers are facilitators of student learning and creators of productive classroom environments in which students can develop the skills they will need in the workplace. The students are learning by doing, and the teacher acts as a coach, helping students as they work on projects. Students learn to use the inquiry method, and to collaborate with others--a microcosm of the real world they will experience once they leave the classroom.

The collaborative project-based curriculum used in this classroom develops the higher order thinking skills, effective communication skills, and knowledge of technology that students will need in the 21st Century workplace. The interdisciplinary nature of the present century classroom sets it apart from the previous century classroom. Lectures on a single subject at a time were the norm in the past and today collaboration is the thread for all students learning. 20th Century teaching strategies are no longer effective. He encouraged the teachers to embrace new teaching strategies as the focus is on producing students who are highly productive, effective communicators, inventive thinkers, and masters of technology.

# Teachers' Day

*"It is the supreme art of the teacher to awaken joy in creative expression and knowledge."*

*-Albert Einstein*

Teachers play a very important and great role in our lives. 5<sup>th</sup> September, every year is an important day for both the teachers and the students as we wish our beloved teachers and thank them for their selfless service of teaching and shaping the lives of students. The Teacher's Day program was organized by the students of class XII to thank their teachers for guiding them throughout their school life. The show began with an introduction about Dr. Sarvepalli Radhakrishnan and a poem by Dhriti Lakhanpal, dedicated to all the lovely teachers. This was followed by a melodious performance by the amazing singers on a medley of songs. The programme reached its pinnacle with the exuberant and energetic dance performance by the talented dancers. A video was also shown as a tribute to the teachers. It showcased the bond that they share with their students. An interactive session with the teachers hosted by the amazing emcees Alanna Geo, Rijul Chadha and Joel. K. Reji was followed by a truth/dare round, which involved active participation by the teachers. The highlight of the program was the surprise event "The Ramp Walk" for which the teachers were escorted by Class 12 students for an amazing walk down the ramp. On this day, we also felicitated our Senior School Coordinator, Mr. Geo Mathew on completing 25 years of his service in the school. The show came to a crescendo with the cake cutting ceremony held in the staffroom. AJAM session by class XII students marked the end of the celebrations. The show was indeed a great success and the efforts put in by all paid off. It was a memorable day for all the teachers and a day to be remembered by the class of 2020.

# Cultural Fiesta

The 9th of August, 2019 was a day which fizzled with exuberance as the Inter House Cultural Fiesta duly arrived. It was an opportunity for all the Marians to showcase their talents in innumerable events. After weeks of vigorous practices, the students were ready to face a friendly rivalry between the houses.

Hogan, Hughes, Parkinson and Price, the four pillars of MSM competed against each other enthusiastically. Loyalty for one's house drove each participant with the determination to win.

The most anticipated part of the cultural fiesta was the distribution of the overall trophies, 'Best Cheering', 'Best Discipline' and the 'Best House'. Everybody held their breaths as the results were declared. The 'Best Cheering' trophy and the 'Best Discipline' trophy were bagged by Price House. And the overall trophy for the 'Best House' went to Price House as well. The cultural fiesta indeed was a huge success.

## A TRIP TO 'WORLDS OF WONDER'

By Tejas Dev Lakhanpal and Mannat Kashyap

### Class 10 and 12

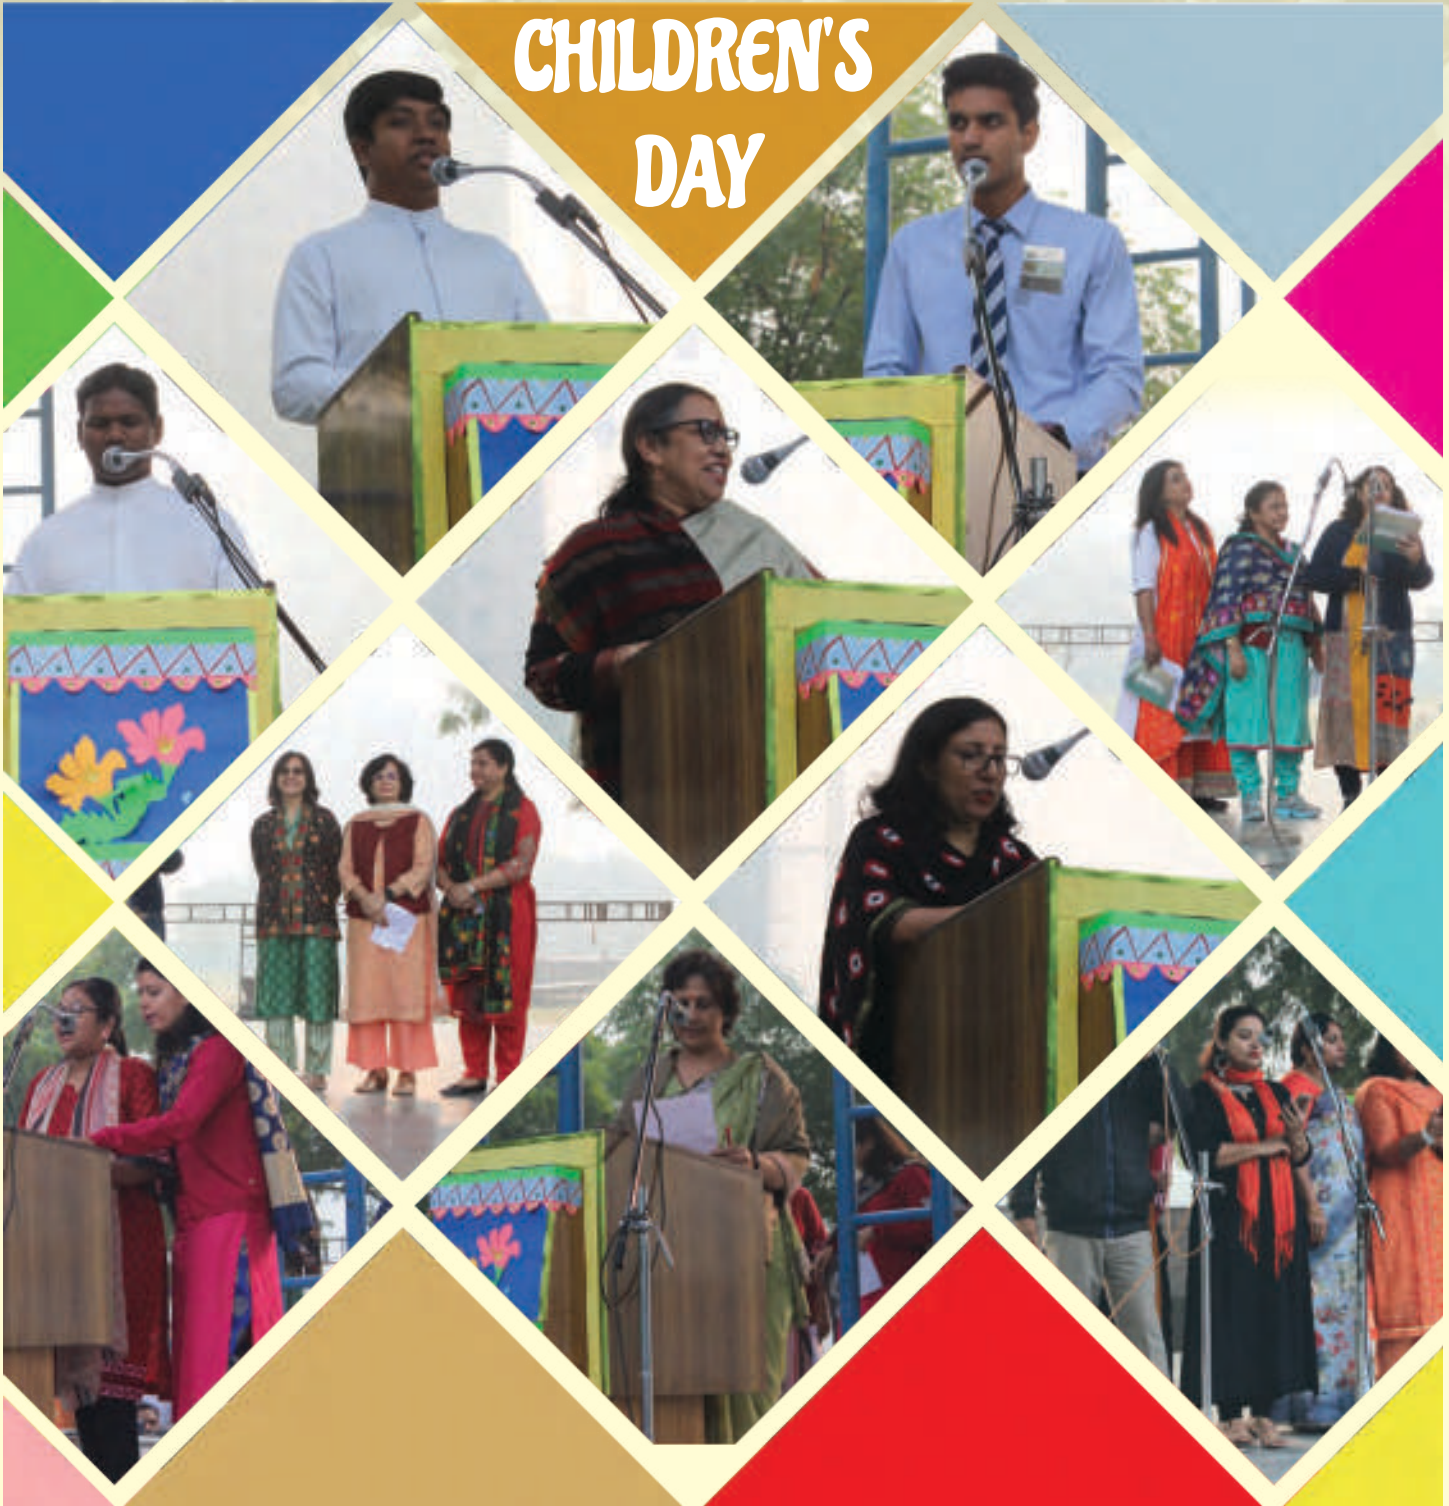

**Mount St. Mary's School, Delhi Cantt.** organised an annual picnic for classes X and XII on 1st November 2019 to WOW i.e. Worlds of Wonder, Noida. The students eagerly looked forward to the perfect amalgamation of thrill, fun, pure joy and entertainment that awaited them at the venue. The journey started around 8:00 a.m and it took around one and half hours to reach the destination. The students were welcomed and a band was tied around their wrist for identification and to serve as non-transferrable tickets for unlimited rides. The students were overjoyed and excitedly explored the various fun rides like 'Download', 'Mega Disco', 'Chart Smashers', 'Fast Forward', 'Big Beat', 'Rockin Roller', 'Loco Motion', to name a few. A scrumptious lunch was served. Students grooved to the music and danced to peppy numbers. It also provided a platform for teachers and students to interact beyond the school boundaries and develop a stronger bond. Overall, the picnic was an awesome experience. We are sincerely grateful to our school and all our teachers for organising such an amazing picnic! We were indeed lucky as 'Board' classes to go for a class picnic and make so many amazing memories.

It is rightly said that childhood is the best time of one's life. To celebrate Children's Day, the teachers put up a special assembly and made the students feel special and reciprocated the love they give to their teachers. Ms. Lata Nandakumar apprised the students about the importance of Children's Day reminding them of the reason for the celebration. The students saw the fun aspect of different subjects like Maths, Science, English, Hindi and Social Science when the teachers

entertained them with jokes, riddles and poems on their subjects. Some peppy dance numbers presented by the students made the children happy. A mime brought out the message that whatever be the age the students are always loved by their teachers. The Vice Principal prayed for the well being of the students followed by a message by the Principal who gave his blessings and urged the students to be good human beings.

## CHILDREN'S DAY

13 years isn't a short time...  
From "I'll complain to ma'am"  
To becoming partners in crime.

I entered the school gate  
With a smiling face,  
Standing in front of my teacher,  
With a clean slate.

From acting like I know the school song,  
To ...no...wait, I STILL sing it all wrong

Come 6<sup>th</sup> grade,  
Acting older than our age and  
Pretending we know the trade.  
This was how we learned to write  
On the single ruled page.

From barely knowing our classmates  
To empty lunch boxes before break.

9<sup>th</sup> graders now,  
We're seniors...wow!  
The seniors we looked up to,  
Well, we'll play their role now  
Oh, how we grew.

From being inseparable during class  
To making plans of meeting after hours.

And now,  
From being the kid who forgot her poem  
during recitation,  
To the kid who writes her very own poems  
without hesitation.  
We've come a long way.

As we stand on this stage today,  
I hope we keep our memories secure.  
Of every time we tread through those halls  
And remember the values we did procure.

For every step on the way,  
You held our hand  
And showed the way  
And every time we stumbled,  
It was because of you that our confidence  
didn't crumble.  
So, here we are,  
Pouring out our hearts  
From afar.  
Because teachers, you have been the  
cornerstone to our foundation  
And someday, we hope to be the reason for  
your jubilation.

# Merry Christmas

This year Christmas in MSM was about Caring and sharing, the theme of this year's assembly was 'sharing is caring'. The assembly began with an introduction about the significance of Christmas, followed by carols sung by the winners of the Carol Singing Competition, class V. A skit taught the lesson to the children that an act of gratitude, a word of caring is all it takes to get the shower of blessings. Peppy dance numbers by junior as well as senior school students set the mood for celebration. The Principal sent the students for their winter vacation with a loving Christmas message.

# Our Prayers Go with You

On the 31st of January 2020, the foyer of the School Auditorium was crowded with students. They were the students of the three sections of Class 10 gathered for the traditional Prayer Service which Mount St. Mary's holds every year for the classes that would be shortly appearing for the Board Examination.

The normally exuberant, carefree spirits were subdued and uncharacteristically silent. They filed in bearing diyas or flowers which they placed in front of the stage. The prayer service commenced with the lighting of the Lamp and this was followed by a prayer said by the Vice Principal Rev. Bro. Sylvanus. Offertory prayers were made by teachers, while students of all three sections placed pertinent symbolic items on the prepared stand in front of the stage. In the spirit of religious tolerance, Inter Religious prayers were offered by the students, followed by a blessing by the Senior School Coordinator,

Mr Geo Matthew. The Principal, Rev. Bro. Dr. Arockiaraj, then delivered a meaningful message which was much appreciated by the students.

No occasion would be complete without thanks. This was expressed by Naisha Bahl of Class 10 A, on behalf of all the students.

With this the Prayer Service came to a close.

Au revoir Class 10. All the very best for your Examination.

Without debate, without criticism, no country or administration can succeed, and no republic survive.

-John F. Kennedy

Life is about opinions, about the difference in opinion and agreeing to disagree amicably. It is with this thought in mind that Mount St. Mary's organises the Bro. Dunne Inter School English Debate every year. This year the Sixth Annual Bro. Dunne Inter School English Debate saw an enthusiastic participation from schools all over Delhi, and even a sister school all the way from Meerut – St. Mary's Academy came to participate in the event. The chief guest for this prestigious occasion was Mr. A. J. Phillip, a renowned journalist and philanthropist. The judges for the debate were Dr. (Fr.) Pius, (Capt.) Mrs. Seema Sharma and Mr. Akram Lamba.

The students showed exemplary oratory skills as they tried to put their point across to the audience. The interjectors, too, were perceptive and asked thought-provoking questions. Overall, each student that participated, shone in their own way, with the determination to win clear on each face.

As for the results, our very own Ojasya Nijhawan of class VIII won the runner-up Best Speaker trophy while the Best Speaker was Manya Ahuja of St. Mary's Academy, Meerut. The Best Interjector award was bagged by Nelbinoy of Sanskriti School. The overall Best School debate team trophy went to St. Mary's Academy, Meerut.

All in all, the event was a grand success, and there can be no debate on that!!

# Farewell 2020

We started here together and now we are leaving the same way, how can I say goodbye to those I grew up with, for these memories will forever stay

13 years ago we walked in with a heavy bag and are walking out with a heavy heart.

Walking inside the gates at the start who knew we'd find family and leaving would be so hard? Our memories of yesterday will last forever, we will take the best, learn from the rest and we will realise that these were the best days of our lives. So, here we are...

Saying farewell to 13 years spent in that red building. Thirteen years of joy, laughter, sadness and most importantly-learning.

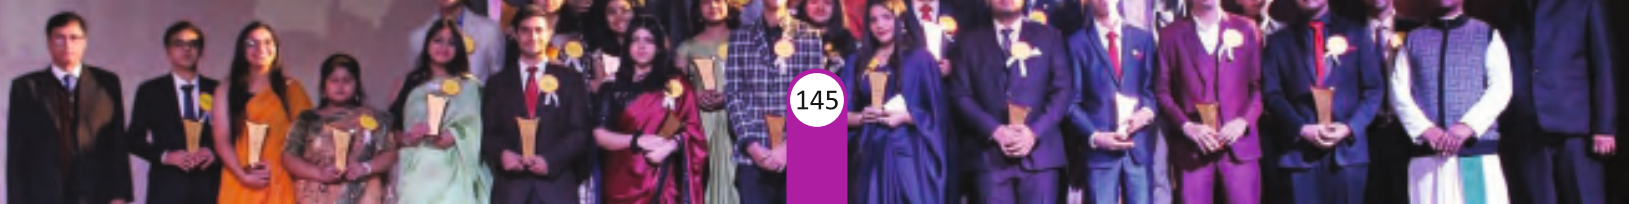

Unlike other kids, I walked into school with a smile, then again, why would I cry?

Dad was right here...

So this is a dark secret that I want to reveal as I leave. I started by threatening my classmates in prep saying, if you don't do as I say, "I'll tell my father." Pretty cliché threat if you ask me but surprisingly, IT WORKED!

But then again, once we grew up and started going from 'ew boys to ooh boys', I realized that that threat didn't work on everybody.

Today I saw how proud my parents were of the person I've become and all they could say was that they didn't realise time flies so fast. From giving a farewell to our seniors to attending our own farewell one year just went by. All I can think of now is how will I ever forget Manali, I found people I could call family, I found people whom I knew will always be there by my side, who cheered me up and made me forget about everything I was tense about by just being with them. Soon carpooling of the core fours for every event from stay backs to Teacher's Day will turn into meeting once every year kind of affair. The meeting everyday will turn into messages and phone calls, But distance or time can never tear true friendships apart the Manali fam, the shararaz, the core fours are a always and forever kind of thing .

The constant echo of 'who likes candy?' (which most of us know the answer) to, the ever ringing bells of 'Tu shor macha', the sounds of ' Hogan, Hughes, Parkinson, Price' being cheered on, I think I've broken a record number of Borosil test tubes, not sharing chocolate with anyone... These memories will stay in our hearts for all the years to come and each time they resurface... We will be filled with the joy and warmth that these memories bring to us.

Long gone will be the days of the morning assemblies the permission wala bunk ("house work ma'am"), the school song, the vipassna, running extra rounds because you were caught walking on your previous ones, lalaji ke samose, chilli potatoes and spring rolls ,and well the break duties!!!

No more "casually" walking past other classes putting up their boards just to see who's gonna win no more petty fights, no more of the wrong socks, long nails, braid up your hair or wrong hair cut.

No more stealing chalks or writing on desks. No more Cultural Fiestas, Sports Days or Carnivals.

And finally, no more of the class dustbin becoming an inevitable part of our school life as we become the next Michael Jordan. We won't be wearing that "normal" uniform or the pt uniform.

Walking in the red building will never be the same again.

It's very hard to describe in mere words how much MSM means to all of us. For many it has been a home away from home. A place where we found family in friends and teachers who showed us the way. But above everything else, MSM taught us the importance of discipline, faith, brotherhood and empathy. But all good things come to an end and each phase has a role in ones life, each goodbye gives rise to a new beginning to a new freedom, there is so much potential in the batch of 2020.

So many diamonds in the rough, so many birds yet to take flight.

From world famous food bloggers, to amazing photographers, dancers, vocalists, artists, pilots, programmers, gamers and maybe even future leaders.

Most importantly we are Marians who are just so ready to make the world a better place and make this institution, our parents, teachers and ourselves proud.

So, let's go confidently in the direction of our dreams and make the best out of life cause time flies by. This is not a goodbye, because goodbyes mean the end of something. Someone wise once told me-true friendships are those that never change even if you meet after years, and I'm trusting her cause I always have and always will, when we meet because "yara teri yaari umra saari sath hai."

A word of advice for our juniors --best of luck for your future endeavours, if you can dream about it you can definitely do it. May you enjoy your lives like there's no tomorrow.

Last but not the least- No matter where you go in life or who you become- remember who you are and where you come from. Because, for a tree to grow firm, its roots have to be steady.

So, 11thies, class 12 will go by in a flash. So make the most of the time that you have.

We laughed until we had to cry, we loved right down to our last goodbye. Let's not cry because it's over but smile because it happened.

We know no matter how far we go and no matter how long it will be till we meet again once we start with our lives, we will still treasure these memories deep inside our hearts and we will still feel the same bond.

Because,

**"ONCE A MARIAN, ALWAYS A MARIAN."**

**Thank you**

**Alanna Geo, Kamakshi Gupta XII B**

**First day - tears looking at unfamiliar faces.**

**Last day - tears coming out seeing familiar faces.**

**Two days separated by a decade.**

Two situations. Two reasons. One emotion. Yet in total contrast. Those irreplaceable school days.

At the end of road of your school life you came from counting days to the last day of school, from hating the classes to missing it very badly, from fighting to becoming friends, crying when teachers scolded and hating them to realize that they really cared and loved you all. 11th's had a hard time preparing your farewell, the songs, the speeches and the dances especially the sauda which is still khara. But we hope that you will always remember us and the farewell will always give you a flashback of your days in MSM.

Of course it went by fast, just like your parents said it would. So I hope with all my heart that each one of you cherished these precious moments you have spent together because no matter how much you want to, you can't come back to high school. This is a universal truth we all have to face, whether or not we want to. Everything eventually ends. As much as you all would have looked forward to this day, you would have disliked endings. The last day of summer, the final chapter of a good book. Today we all say our goodbyes. How ironic, between freshers and farewell, life happened. In the end, do not forget your promises to stay in touch so that in the end when life happens your friends do not just become names in your contact list. You are the ones

who made us realize how fairy tales end in real life-with kids in blazers or sarees bidding farewell to school, in a wave of nostalgia.

May you always have walls for the wind, a roof for the rain, tea besides the fire, laughter to cheer you, those you love near you and all your heart might desire.

Farewell..

**"jab bachpan tha, toh jawaani ek dream thi, aaj jab MSM se jawaan huye, toh bachpan ek jamana tha."**

**Vratika Chandel**

A very good morning to our Principal Rev. Bro. Arockia Raj, Vice Principal Rev Bro. Sylvanus, Coordinators, teachers, and my fellow batch mates. I would've never thought that my first speech in the school would actually be my last one. Years passed, syllabus changed, teachers changed but the colour of these red walls never faded. From entering the school premises in an oversized blue shirt and loose shorts to today dressed as mature Marians, it has really been an amazing ride. All of us have had a zillion complaints while we were in school but the moment we step out we just cannot hear anything against our school. Such is the love we've developed for this institution. First of all each and every person sitting here would agree with me on this that MSM this year has had the coolest principal and Vice Principal ever. Who would've known that we had two supremely talented dancers under those poised characters? We will surely miss the presence of Brother Sylvanus on the basketball court and the enthusiasm with which he played. It is just very difficult to register that we would no longer get up every morning, try to reach school on time so that we would not have to stand in the late comer's line. No more will we try to hide from KP sir while walking back from the assembly. Who will remind us to cut our hair and trim our beard?

The 2 years gone by have really been special for each one of us. We would miss how each and every English class would turn into a debate on feminism and equality. How we would try and time our practice schedules so that they would just clash

with our maths periods. Accountancy and BST periods provided us with life changing stories and truly taught us how to be the real commerce students. And then come our eco periods where we were taught essential life lessons on savagery and sarcasm. We all have been very lucky to have teachers like you who have always looked out for us. We all know there have been times when you've shouted at us but deep down you were always proud of us and were just looking out for us. I have had a chance to crack up a teacher a number of times who is the real savage of our school with whom I share a common love for uber.

Coming to my batch mates, somehow or the other I was able to develop a unique bond with each one of you. As time passed we lost some friends, but some of them just stuck by us and became family. How can I forget the innumerable dance practices we've had, ganging up on the last bench and laughing on the silliest of the jokes. Singing random songs and feeling the pain more than Arijit Singh ever did. Who would've thought that one day all these beautiful moments would just end up in mere memories? Guys I know it's very difficult to digest, but this actually is where we draw a line. No more may I come in ma'am, no more permission slips, no more begging for leave notes, no more playing pranks on each other, no more school picnics, no more begging for food in the school canteen, no

more running through the corridors, no more bunking classes and hiding away from teachers. We all have had times when we've laughed our hearts out and have cried on each other's shoulders; the only difference now is that we will have fewer laughs and not the same shoulders to cry on.

To the upcoming batch I would just like to say that guys just come to school each and every day because trust me each and every person sitting over there just wants one Monday morning where they can wear that blue shirt again and start up their day with the most precious people they ever came across.

I would just like to conclude by saying, we all thought controlling our laughter in a class full of pin drop silence was the most difficult thing to do. Little did we realize that controlling our tears on the last day of school would be a million times harder....

A prayer dance was performed to celebrate the solemn occasion, a skit about the work and life of Bishop Daniel Delaney helped the students understand the life of our great founding father and the sacrifices made by him for the sake of humanity. The western music choir paid their tribute by singing St. Patrick's breastplate which was followed by an Irish dance item by the senior students. It was a very special day as it was MSM's foundation day as well. To commemorate this occasion the tiny tots of Junior School dressed up as Brothers and told us the history of MSM. Also, a tribute was paid to Bro E.T. Dunne, the first Principal of MSM. # PICNIC

**Classes 6-9, 11**

“Play is our Brain's favourite way of learning”

It was a bright sunny day on February 12, 2020, when all the students of class 11 were excited to go for their much awaited picnic.

We were taken to Joygaon farms in Haryana. The journey to reach the venue was fun filled as we danced our whole way to the farms.

On reaching the park, we enthusiastically explored the alluring beauty and bounties of the modern eco friendly village-like farms. The nature walk and toy train helped us to observe different types of plants and flowers all around us. The day was very well spent as we played a lot of indoor and outdoor games and tried a variety of activities like Bamboo Bridge, Hanging Tyre, Commando Crawl, Rappeling, Pottery and many more to name of!!

The food was delicious and it seemed to be pure and typical village like with us all licking our fingers till the last bite...

Overall, it was a wonderful experience for all of us as we strengthened our bonds and everyone came back to the school rejuvenated.

We continued our dance, and to us every movement was full of poetry. We advanced, retreated, pirouetted our arms waving from side to side painting a picture music alone can never achieve.

“We” the members of the InSync committee of MSM under the guidance and full support of our teacher, feel proud as we pose for this photograph.

For us the year 2019 was full of opportunities. The InSync club assembly was a breath of the fresh air to blaze the trail and then there was no looking back. Opportunity came flying as a flock of birds. From participating in Mereki Inter school choreography to Don Bosco events, from Investiture ceremony to the Annual Day, We enjoyed and learned every bit of it inside out. The St. George's College milestone event held in Mussoorie was a major highlight of the year where we danced a fusion of Indian Classical and Street Jazz in front of the famous dancer and choreographer Raghav Jugal.

No matter how we felt. We got up, dressed up, showed up and never gave up.

Dr. Rev. Bro. Arockiaraj who filled our goodie bags with opportunities can never be thanked enough for the exposure, encouragement, experience, confidence and involvement he gifted to us.

It is predicted and has also been witnessed that with growing technological aspect in the world, it is not computers that will begin to think like men, but it is the men who will begin to think like computers, and men who can think like computers are the ones who can create history in the technological field.

The Matrix Clan is the IT club of Mount St. Mary's School. Since its inception in the year 2000, the club has grown extensively to become a strong base for developing and nurturing young talent and showing them the right path in the rapidly growing world. The Clan has become a tough competitor for other schools, too.

The Matrix Clan is one of the most sought-after clubs in the school, based on the application of pure skill and crafted intelligence. Even though the clan constitutes students of class 11 and 12, the entire school supports it with all their might. This year the clan introduced a QR code in their logo on the invitation of Matrix Ecomm, to view all the rules of the event, along with many more changes and achievements.

The Club co-hosts the mega IT festival of the school 'The Bro. Aloysious Matrix Ecomm Symposium' with great pride and dedication. The Symposium is a meeting point for young changemakers, from all the schools across Delhi NCR. Interacting with each other in itself brings them a step closer to success. Out of all the many wonderful events we organize, Unanimity-a 3D modelling competition, Matrix Mindcraft-the quiz, Cypher-The Treasure Hunt, Gaming and programming, are some that won't let your brain stop working. Anyone can participate in these competitions but only the ones with craft and talent in hand walk away with the prize.

No-one knows what the real essence of The Matrix is. You'll have to be in it to feel it for yourself. The Matrix has you and will always have you!

Drama lies in extreme exaggeration of feelings. MASQUERADE, MSM's very own drama club comprises an eclectic group of students who are budding choreographers, performers, orators, dancers and artists. The Dramatics Club is more like a family than just a club. It gives you the freedom of being whoever you want to be, it helps you discover the craziest person in you, who not only gets appreciated but also encouraged.

This year we took part in a number of amazing events, from musicals and mime acts to stage and street performances. Our joy knew no bounds when we were given the chance to showcase our talent at St. Georges College, Mussoorie. The event taught us to collaborate with each other, to give and take, lead and take a backseat. Masquerade's ultimate aim is to create an environment of friendly competition and inclusive learning, where the talent of the students can be recognized and harnessed. This not only helps to develop confidence but also enables students to grow as individuals and refine their thought process.

Pixels is the Photography Club of MSM. We the members of Pixels, work behind the scenes to capture every moment from the best view possible. For us photography is not just about taking a picture but making one. It's about capturing the true essence of shows or competitions put up by our school. We, through our lens, give a different perspective to the world. The Photography Club Pixels has provided the students of MSM a platform to showcase their creative side. It gives us immense pride that the school has entrusted us with this important responsibility. This year some of our members have won Photography Interschool Competitions as well. This club is special to all of us and to this school. I hope that the legacy of Pixels is continued by the budding photographers of MSM.

Odyssey, even the word means life-changing journey. A haven for all bibliophiles is the Odyssey club where we convene to be ourselves. To others it seems like a club in which people meet in a musty library with too much quiet and no fun. But little do they know we are more than just book worms. We are detectives travelling down dark alleys with David Baldacci or maybe we are travelling the world solving long buried mysteries on time sensitive missions with Dan Brown and so many more adventures. Not only readers, but budding bards are also nurtured in this club. So do venture behind the blue door and enter a world of mischief, magic and enigmatic rides.

# Staff News

Yes, it is that time of the session for the staff again which was selected to unwind from the year long back to back activities. On 15th February 2020, the staff went to Surajgarh Farms in Gurgaon for the day long picnic. Unadulterated fun, sun-kissed lush green lands providing pure Desi to Chinese, biting into carrots and radishes.... Hydrating body with gallons of Chaanch and Nimbu Pani.... One could witness enthusiastic Principal Rev. Bro. Arockiaraj and the staff ready to plunge into various sports like - zip lines, rope- ladder, badminton, rope- climbing, etc. Any sort of rides starting from camel to tractor were enjoyed. When tired, one could easily grab a seat under the shade on the one time famous Indian beds made with the help of Jute, Charpays.... Total Indian touch and what a village feel.... We left that place after shaking our legs to the dance beats, totally rejuvenated, strengthening our Marian bonds at this special place.

**2019-20 turned out to be a memorable year for MSM as:**

**Mr. Geo Mathew was felicitated for completing 25 years of service to MSM.**

**Mrs. Filomina Jose and Mr. Henry Sequeira bid adieu to the institution after countless years of faithful service.**

**Farewell...**

## **Mrs Shaloo Arora**

“Parting is such sweet sorrow, but there is always hope for meeting tomorrow.”

On 29th April 2019, MSM lost a shining star from its dazzling constellation, Mrs. Shaloo Arora. She had dedicated 21 years of her life to our institution as the Secretary of the school. Her farewell took many teachers on a trip down the memory lane as they recounted the beautiful memories they had made with her. The choir beautifully sang “Leaving On A Jet Plane” and expressed what could not be put down in words. We all learnt of Mrs. Arora's 21-year journey in MSM. Mrs. Arora left us with nostalgic words, thanking all those who had played a role in her life, by making it better each day. In the end, with a heavy heart and misty eyes, we gave Mrs. Shaloo Arora a proper MSM send-off in the school's yellow bus.

# I DON'T KNOW WHAT TITLE TO KEEP

“Ugh! I don't want to go to school! Please Mummy! No, I want to stay at home.” These are the first words we speak after waking up every day. At least I know these are always my first words. But really, all this drama behind hating school and not wanting to go, is it real or is it just in our minds? Wait; don't think this is going to be one of those philosophical articles your dad forces you to read. This is not written by an adult and is a first-hand account of a student.

Isn't that new video by Ashish Chanchalani or that match of the fortnight so important that you don't need to sleep at night? Aren't those new posts by 5 minute crafts or those tweets by Donald Trump so important that we just have to stay up at night instead of sleeping and keep reading and keep damaging our sleep routine? I know it may seem important for so many people to finish that one last chapter of *The Alchemist* before sleeping, it did for me. But can we really blame that for not wanting to wake up in the mornings and blaming it on the unfair school timings? School is boring, nothing to do, I hate studies, nooooooooooooo. These are all just excuses for hiding the real fact: you spent just four hours sleeping because you were too 'busy' dear reader!

Ok, let's leave that aside. How can we say that school is boring? If that is so, why do adults say they miss their school? Shouldn't they be thanking the Lord for granting them permanent leave from this menace? Every day I experience new jokes to laugh about, bonds becoming stronger, trust forming, interesting facts, new friends, great topics, hotter gossip and what not? I personally feel that sometimes I enjoy my time in school more than at home or anywhere else for that matter. I still remember the great times I had in 8D, 7D, 6C, 5A etc. most of us come from a military background. We all keep moving from one place to another. Others feel that we must have a sad and irritating life, keep packing unpacking and having the bother of making new friends every time. But what they don't know is that now we have come to enjoy this process a lot. I am pretty sure that most of us have seen the four corners of India by

now. School is very interesting when we compare it with other deadly ways of life. Different schools have different ways of teaching which can be interesting at varying lengths.

I know we all admit secretly, that in fact, we love school. But we don't want to say it out loud because we think we will be shunned by our peers. That's fine. I am also writing this article keeping the same in mind. Sometimes we don't want to go to school for hardcore and immediate reasons. One being the nauseating habit of bullying. I have seen bullying firsthand and am not ashamed to admit that I didn't feel like going to school for a few months during this period. But I fought back and made that girl change her school. Not very fond of that memory. But still, if we are facing such a nuisance, we should either inform someone or take matters in our own hands (but wisely and don't even think of violent methods). I know, it can be hard for some people who don't have the capacity to hold it in, but try.

Sometimes we feel sluggish and lethargic. It's just a phase, I guess (everyday, anyone?). Sometimes we feel angry at something or someone. But that does not seem to be a good enough reason to miss school. Are you sure that you want to become a person who doesn't make an impact? Because I want to make an impact. A huge one. I have dreams and aspirations. I want to rule the country. I want to meet famous celebrities. I want to travel around the world. I want to provide my parents with everything they need. I want to make my parents proud of me. But how can we do that? By becoming something in life. And the fourteen years of our lives that we spend in school are what forms our base. You form a character, education, lessons to use and life and innumerable more things. We can't blame school for being a bane. It is actually a boon. Am I sounding a bit cheesy there? Ok, so long story short: go to school if you want to meet Ambani and marry his granddaughter slash grandson. Period.

## FRIENDSHIP

It is the fire that melts no ice  
It can bend the evil and the vice  
It is a vessel whose hull you cannot rip  
It is one of a kind, it is friendship.

Through raging storms it allows you to pass  
Through it a great deal of wealth you can amass  
This wealth is not any mere coins or treasure  
It is, in fact, friends whose value you cannot measure.

Life is only precious because it ends  
While living it you can go through many bends  
But a true friend will be with you in times of need  
He will aid you selflessly without any greed.

Life isn't meant to be live like slack  
Aren't the animals also doing that?  
Go out there and find a true friend  
It is an act that you will never have to amend.

Friendship is the Titanic on the Atlantic of life  
It will cruise forward regardless in times of worry and strife  
It is the treasure worth more than any price  
It is the fire that melts no ice.

## Pariksha Pe Charcha 2020

With 16 lakh students actively participating, and countless others watching, Pariksha Pe Charcha 2020 was no small conference done in a dusty old office.

The Hon'ble Prime Minister began, not by introducing himself by that huge title and instead said, "Phir ek baar aapka dost aapke beech hai".

He addressed the new decade 2020 and specifically mentioned the relevance of 2020's batch of young individuals to the country's economy. When asked about the burden of expectations on children, he, without missing a beat, referred to Chandrayaan, and also revealed that he was, in fact, advised not to go as the project may fail. Well, all of us are familiar with the way he lifted everyone's spirits with his imprompt act that night!

He stressed on topics like the pressure parents put on children and also specified the duties that all schoolchildren are bound by. When questioned about what to do, and we all relate to this, when one forgets

## Many Lives of A Woman

She was born of the clouds,  
A dew drop so gentle  
She touched the land of droughts  
Into a womb, fertility rental

We call her our daughters  
Yet she was planned to kill  
Bloody hands over her body, still lingers  
As all who watched stood still

Stood still she was 8,  
When the uncle so sweet came,  
Smiled and tipped in a chocolate,  
But the screams weren't as loud as the shame.

She felt guilty for crime she didn't commit,  
The touches, the sounds, the pleasures filthy,  
She knew nothing of the pain but to shut it,  
Why she asked, killed her, couldn't he.

Life went on and she grew out  
The wound remained fresh and cold  
But the poison she spit out  
On a new journey proud and bold

Making up the mind she played the game  
Queen she was again.  
Shone like a diamond,  
Smelled like a rose,  
Cut out from the monsteus  
Alone the queen posed

answers in the actual exam and remembering them later, he advised us to not take pressure. After all, it is the Titan Atlas', not our job to hold the sky up on our shoulders!

Modiji, as always, found a way to be relatable, and engaging, and was also (AGAIN!) very 'in' with trends, this year mentioning #Without Filter. This brought out many amused cries out of the audience, many of whom remember his mentioning the popular online game PUBG last year!

# On The Court

The court-my solace,  
The ball-set my pace  
The team-nothing but grace.  
    T'was a monsoon day,  
    With the heavens pouring,  
    When all we wanted to do was play.

The semi finals,  
Of the zonals,  
There! That's our rivals!  
    They walked in like devils,  
    Lurking in the dark,  
    Deep within their  
    Skills and the hours of practice put in

We covered,  
Our hearts fluttered,  
The match we already knew,  
Was decided  
They win, we lose  
    Their coach was revered  
    With people falling at his feet  
    A person who demanded respect.  
    A person I lost faith in,  
    That everyday,  
    In every aspect.

After every time thrust and push,  
When we didn't hear the whistle,  
We lost hope  
Little by little  
    That's the day I finally realised,  
    Human hearts are feeble  
    Running towards the thing they love,  
    Pulled back by the chains of worldly desires.

That's the day I realised,  
You get nowhere being nice.  
    Though he was the best coach,  
    He hardly had any respect for the game  
    The game I loved beyond par  
    The game I gave up everything for  
Though he was a nightmare,  
He made me realise, the only thing  
That matters is the love for the game

## *My Dad,* MY INSPIRATION

Strict but sweet  
Your guidance is everything I ever need  
Made mistakes not once but twice  
You taught me they are a blessing in disguise  
You have been my strength when I was weak  
It's your advice I always seek

Dad you inspire me in ways you'll never know  
Maybe not so famous but you are my hero  
You act so strong when you're breaking  
Always make sure mum and me aren't hurting

When everyone left you stayed  
Tried to cheer me up for days  
You think bout everyone but yourself  
Ironically you tell me to love myself  
I've seen you go through so many hurdles in life  
Yet you come out stronger every time  
You are my father, my inspiration, my life  
Dad to me you are in disguise.

# MY EXPERIENCE ON VISITING THE NATIONAL SCIENCE CENTRE

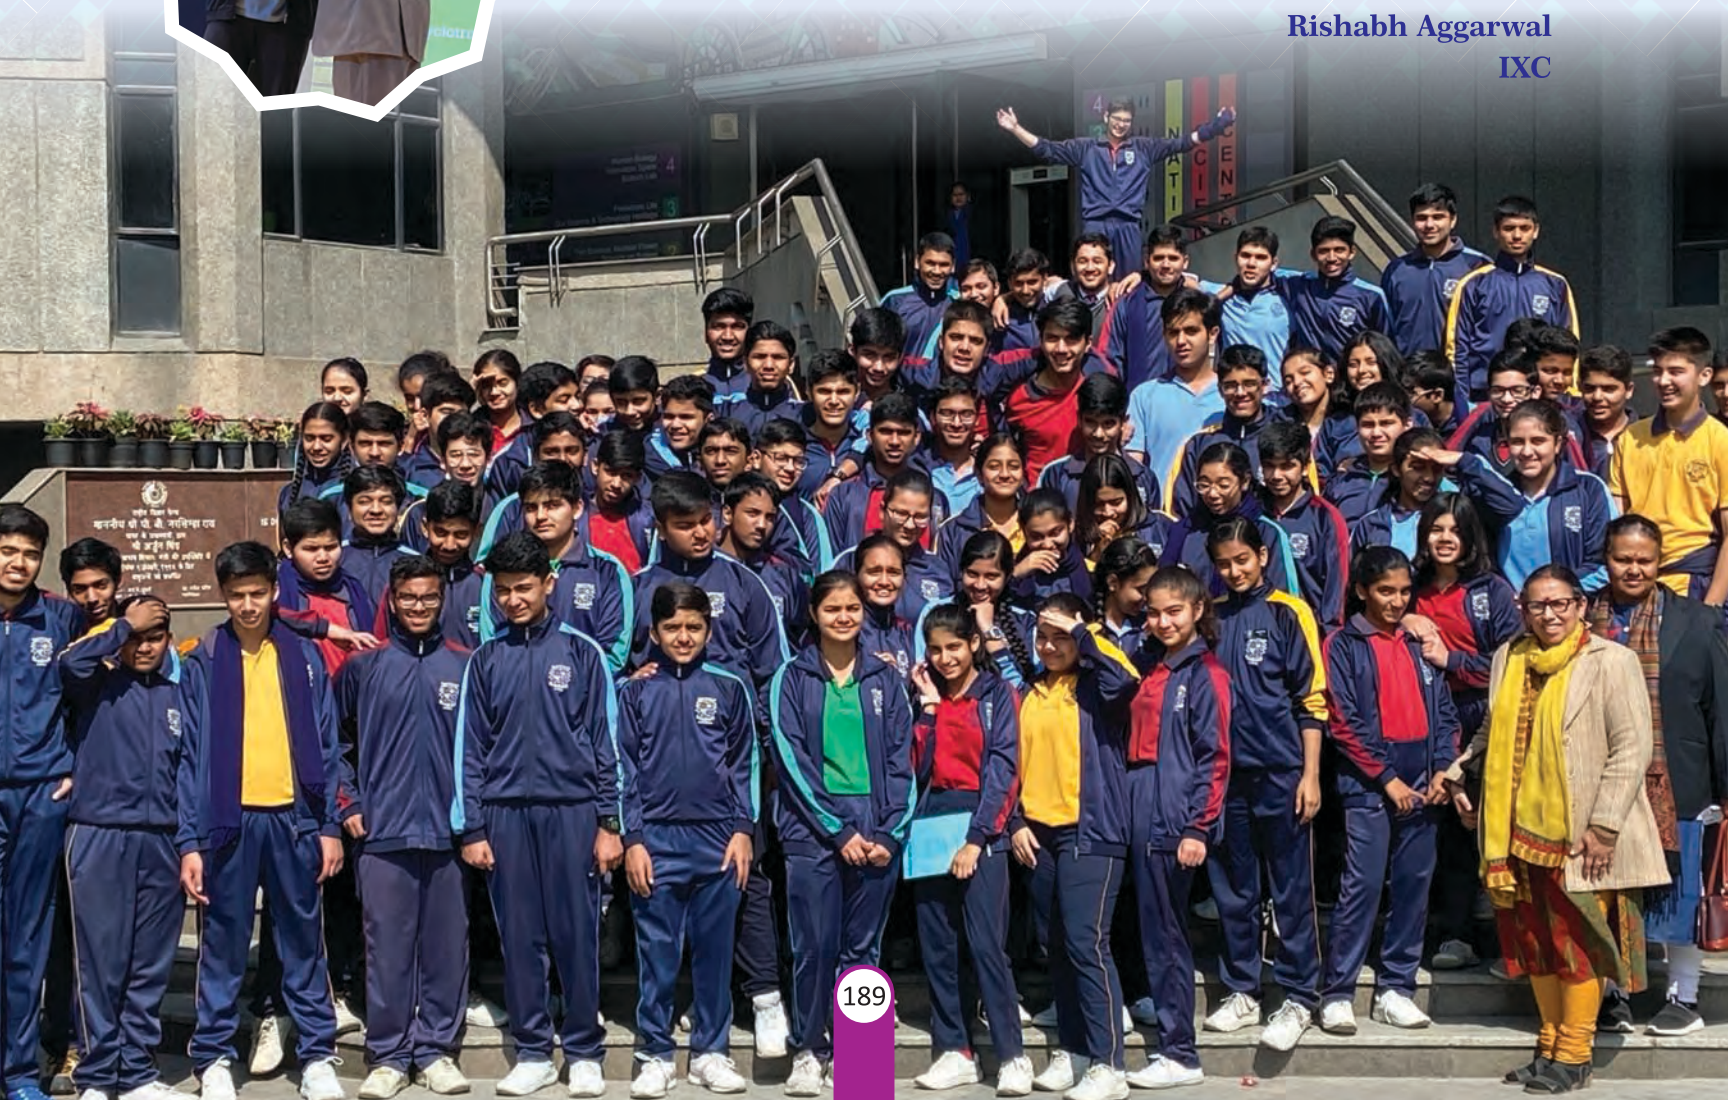

Our visit to the National Science Centre here in Delhi was a much-awaited field trip. I was curious to see all the exhibitions, even more so because I did not know had a Science Centre so close by! A lot of students, to my surprise, wanted to give up their Sports and Games periods (which are much awaited) and spend their day on an educational trip.

The exhibits there were absolutely breath taking! So many new and exciting experiments are being planned around the world, about a lot of which we did not know. India has been a major contributing country to a lot of these crucial experiments for many years. What also surprised us was the grandeur of some of the technological break throughs we saw. The exhibits were very informative and eye-opening, where the volunteers were ready to explain.

We also had the opportunity of attending a lecture given by an IIT professor. He shared with us the developments that have been made in computer sciences in the past few years and enlightened us on the technological breakthroughs to come. A quiz was held after the lecture where I attempted a question and actually got the correct answer! I also received a prize for my answer. This made the trip all the more special for me.

I am extremely thankful and grateful to all the teachers for organising this trip so that we could learn more and also have a great time.

## The Services for People Club Visit- Nirmal Jyoti Home

The experience of going out and doing something for somebody in need is something everyone should know and cherish. For the Services For People Club of Mount St. Mary's, Delhi Cantt., this experience is almost second nature.

For the second visit of the academic year 2019-2020, the Services For People Club made an outing to Nirmal Jyoti Home For Mentally And Physically Challenged Girls in Vasant Kunj. We went, determined to do something good, however big or small, for the girls under care of the responsible and motherly sisters who handled the Nirmal Jyoti Home.

Some of us were slightly sceptical and unsure in the beginning, but the feeling passed as we settled in to the quite comfortable surroundings at Nirmal Jyoti.

We arranged an entertainment program for the girls complete with Bollywood numbers, dances, songs, and even a mime on the Importance of Exercise (which I authored) All this done under our wonderful mentor and guide, Ms. Reena Saxena, without whom the success of our excursion would never have been possible.

This excursion has been such a great positive exposure to meet new people, and see the way they go about their everyday lives. I would go so far as to say that this is exactly what I like about the Services For People Club at Mount St. Mary's, as the ever-so-carefully planned excursions not only help people and brighten their day, but also teach us so many new things!

Some of the girls were; Meenu, whom I had trouble understanding in the beginning as she couldn't talk, and by the end of the day we both conversing jauntily in a sign language only a few could get! Another was Hema Kumari, who left us all stunned into silence with her Kathak moves. Pinky, who knew everything there was to know about Bollywood and Shah Rukh Khan, and Asha, sporting a huge black coat she was very proud of were two very interesting creatures!

By far the best part of the day was when we all went out to get some fresh air and to play what were termed 'outdoor games'. Most of us Ninth and Eleventh graders were hit with a cold wave of nostalgia (and wintery air) as we played games we hadn't even thought of for years! Ice-water, chain-chain, pakdum-pakdai, and all those other double worded games were explored with buckets of giddy excitement.

At last, it was the time everyone dreaded, goodbyes were to be exchanged. We finally bid goodbye to those exuberant, happy souls, who despite certain hardships, found a way to keep their panglossian sides dominant.

# फिर आए एग्जाम

सुबह से हो गई शाम,

सूझे न कुछ काम

पप्पू जप रहा भगवान का नाम

मम्मी खिला रही बादाम,

पप्पू का सिर पढ़-पढ़ हो क्या जाम

फिर भी उत्तर न ले, याद होने का नाम

अब क्या होगा? हे राम!

तब पापा का डंडा बहुत काम आया,

हिन्दी, गणित, विज्ञान, सब याद दिलाया।

प्रश्न पत्र के सवालों से फिर भी सिर चकराया

लंबी साँस ले कर पप्पू सब लिख आया।

समय ने भी कमाल दिखाया

तीन घंटों को चुटकियों में बिताया

एग्जाम खत्म कर पप्पू को चैन आया

रिजल्ट भी है ठीक-ठाक आया

इस बार तो बच गई जान, पप्पू

खुद भी है हैरान, चलो खत्म हुए एग्जाम।

## मेरी जादुई दुनिया

आ गई एक दुनिया में,  
जो भरी थी जादू से,  
सुनसान सी एक दुनिया,  
न गाँव थे न घर।  
खड़े कर दिए मैंने वहाँ हरियाली और घर,  
नाम दे दिया मैंने उसे,  
अपना जादुई घर,  
दुनिया देखी जादू से भरी,  
खाली दिख रही थी खरी,  
पूरी दुनिया भर दी मैंने,  
प्यारी सी एक लहर से,  
फिर भरी पेड़ों से और फिर चिड़ियों से,  
जाते-जाते भर दिए मैंने इंसान,  
पाते-पाते जादुई दुनिया,  
मैं बन गई भगवान।  
यह था मेरी जादुई दुनिया का किस्सा

## प्रेरणादायक किताबें क्यों पढ़ें ?

सबसे अच्छी बात तो यह है कि किताबें हमारी सबसे अच्छी दोस्त हैं। इन दोस्तों की खासियत यह है कि यह हमें कभी भी किसी भी परिस्थिति में धोखा नहीं देती हैं बल्कि हमें सही राह ही दिखाती हैं। यह हमें कभी अकेला महसूस नहीं होने देती है। किताबों से अच्छा परामर्शदाता हमें मिल ही नहीं सकता। यह हमारा आत्मविश्वास बढ़ाती हैं। हमारे लिए एक अच्छे अध्यापक का काम करती हैं। हमें अच्छे काम करने, जीवन में आगे बढ़ने के लिए प्रोत्साहित करती हैं इसलिए हमें अपने अमूल्य समय का प्रयोग अच्छी किताबों को पढ़ने में करना चाहिए।

## जो मुझ को पंख लग जाते

जो मुझ को पंख लग जाते  
सारे बादल संग लहराते

देख यह धरती एक  
पंख मेरे कितने मुसकाते  
पवन, वरण सब एक जुट हो जाते  
मानवता को सीख सिखलाते  
सीमाएँ लॉघ किसी एक वृक्ष पर  
सुंदर एक घरौंदा सजाते  
उड़ कर हम जो देख पाते  
सारी धरती एक समान पाते  
जो मुझ को पंख लग जाते  
सभी मेरे अपने कहलाते।

## फौजी की जिन्दगी

एक फौजी की जिन्दगी बहुत कठिन होती है। उन्हें चार बजे उठकर पाँच किलोमीटर भागना

पड़ता है। उनकी भर्ती से लेकर जब तक वह फौजी रहता है तब तक उसका शरीर बिल्कुल चुस्त और तंदुरुस्त रहता है। उनके जंग पर जाने से लेकर उनके रिटायर होने तक का उनका समय ताकत और ध्यान ट्रेनिंग में लग जाता है। उनके अंदर इतनी देशभक्ति भर जाती है कि वे अपनी जान देश के लिए न्यौछावर कर देते हैं उनके अंदर बहुत जोश होता है। वे हमेशा जंग के लिए तैयार रहते हैं। एक फौजी का कर्तव्य अपने परिवार से ज्यादा देश की रक्षा करने का होता है, अपने परिजनों को छोड़कर वह देश की रक्षा के लिए बार्डर पर तैनात रहता है। ऐसे फौजी को मेरा सत-सत प्रणाम जो अपने लिए नहीं देश के लिए जीता है।

## नयी शौच

भुला दो बीता हुआ कल  
दिल में बसाओ आने वाले कल  
हँसो और हँसाओ, चाहे जो भी हो पल  
खुशियाँ लेकर आएगा आने वाले कल  
अनसुलझी जो रही पहेली  
उसका भी होगा कोई न कोई हल  
जो करेगा इस पल की कदर  
आगे जाकर वही होगा सफल  
जिन्दगी खुशियों और गमों का मेल है  
सुनहरे सपनों की झंकार सुन  
भूल जाओ सब गिले शिकवे  
आओ! नये सपनों को साकार करें।

# स्वर्ग भी यहीं, यहीं नरक भी

# माँ

सच ही तो है— स्वर्ग भी यहीं यहीं नरक भी,  
अपनी जिन्दगी में सभी ने किया है अनुभव भी।  
कहीं किसी के पास है दौलत अनगिनत  
और कहीं किसी को है पैसे की किल्लत।  
कोई दाने—दाने को मोहताज होता है,  
कोई दूसरों के रहम पर जीता है।  
कुछ लोगों का अपमान कर खरी—खोटी सुनाते हैं  
बिना गलती के भला बुरा भी कहते हैं।  
एक तरफ लोग भगवान का दिया बर्बाद करते हैं  
तो कुछ पेट भरने के लिए भीख माँगते हैं।  
जीवन जीना तो एक कला है,  
वैसे तो पशु भी जीते हैं परन्तु उसका जीवन धन्य है,  
जो दूसरों के जीवन में रंग भरते हैं।  
इस दुनिया को स्वर्ग बनाना है आज की आवश्यकता,  
हाँ ये सच है कि स्वर्ग भी यहीं नरक भी यहीं  
औरों के लिए कुछ करो, उन्हें खुशी पहुँचाकर देखो,  
उनके आँसू पोंछो, रोते चेहरों पर मुसकराहट ला कर तो देखो,  
भविष्य उज्ज्वल होगा, धरती पर स्वर्ग होगा।

घुटनों से रेंगते—रेंगते  
कब पैरों पर खड़ा हुआ  
तेरी ममता की छाँव में  
जाने कब बड़ा हुआ  
काला टीका दूध मलाई  
आज भी सब कुछ वैसा है  
मैं ही मैं हूँ हर जगह  
प्यार ये तेरा कैसा है?  
सीधा—सादा भोला—भाला  
मैं ही सबसे अच्छा हूँ।  
कितना भी हो जाऊँ बड़ा  
“माँ” मैं आज भी तेरा बच्चा हूँ  
ऊपर जिसका अंत नहीं  
उसे आसमान कहते हैं  
जहाँ में जिसका अंत नहीं  
उसे माँ कहते हैं।  
कितना भी लिखो इसके लिए कम है  
सच है ये कि “माँ” तू है तो हम हैं।

## अहिंसा की राह पर चलकर तो देख

हे मानव। अहिंसा की राह पर चलकर तो देख,  
जीवन तेरा संवर जाएगा। हिंसा त्याग कर तो देख,  
दुनिया नहीं ये जंग का मैदान,

इंसानियत की जगह दिल में पत्थर की दीवार है,  
हिन्दू, मुसलिम, सिख, ईसाई में बंट गया है संसार,  
उसी नाम पर इंसान उठाता, है हथियार

क्या हुआ है? मेरी इस दुनिया को ज़रा तो बताओ  
चलो, महात्मा की राह पर इन्हें चलना सिखाओ,  
जिस बापू ने अहिंसा का पाठ पढ़ाया,  
उनकी बातों को आज भूल गया है जग सारा,

सुनो ये दुनिया वालो  
हथियार उठाना है आसान,  
युद्ध का ऐलान कर नहीं बनता कोई महान,  
इतिहास गवाह है हिंसा से सिर्फ़ हुई है तबाही,  
ऐसी जीत भी क्या? जिसमें इंसान ने अपनी जान गवाई।

सुनो! देर हुई है अंधेर नहीं  
बापू की राह पर जो चला कामयाब है वही  
हे मानव, हिंसा को त्याग कर  
अहिंसा की राह पर चल कर तो देख।

# मेरा अपने अमेरिका का सफर

मैं अपने स्कूल के दोस्तों के साथ 9 नवम्बर 2019 को अमेरिका गई थी। मैं बहुत ही उत्सुकता के साथ इस यात्रा का इंतज़ार कर रही थी। वहाँ पहुँचने में हमें सोलह घंटे लगे।

वहाँ पहुँचकर हम सब थक गए थे और हमने उस दिन आराम किया। अगले दिन हम आरलैंडो के डिजनी के कई अन्य कार्टूनों से मिले। मैंने वहाँ से अपने लिए एक माला और अपने भाई के लिए कपड़े खरीदे। वहाँ पर मैंने बहुत सारी सवारियों का भी मजा लिया।

तीसरे दिन हम नासा गए। चौथे और पाँचवें दिन भी हम नासा में ही रहे। वहाँ हमें अंतरिक्ष यात्री के साथ के साथ भोजन करने का अवसर भी मिला।

मुझे नासा में बहुत कुछ सीखने को मिला। अगले दिन हम हवाई जहाज से बफ़लौ गए। वहाँ बहुत ठंड थी। वहाँ बहुत सारी तस्वीरें लीं। अगले दिन हम बस से न्यूयार्क के लिए निकल गए।

न्यूयार्क में हम तीन दिन रहे और वहाँ हमने कई सुन्दर इमारतें देखीं। उसके बाद हम वापस भारत आ गए। अमेरिका का सफर मेरा सबसे यादगार सफर था।

# पानी की बचत आज की जरूरत

जल है तो कल है,  
जल है तो जीवन है।

यही हमारे कर्मों का फल है,  
जो इस पल हम धरती पर है।

सब कहते हैं, सच कहते हैं,  
पानी को बचाना है।

बंद करो ये बहता नल।  
यदि तुम्हें बनाना है, सुन्दर अपना कल

नहीं बचेगा वरना कोई भी,  
आने वालों के लिए कोई फल-फूल

रोते रहेंगे हम सब हर पल,  
समय जब हाथ से निकल जाएगा।

आकर बचा लेगा हमको कोई और,  
इस गलतफ़हमी में न रहो करो तुम गौर,

समय रहते मचा दो चारों ओर यह शोर,  
जो करेगा पानी बर्बाद, वह है समाज में चोर।

बैठे हो तुम सब बर्बादी की नौका पर,  
निकालो मोर्चा हर चौक पर,

बचे रहे तुम सदा करते रहो दुआ,  
कर्म करो ऐसा कि,

भर जाए जल से हर कुआँ,  
पानी की बचत है आज की जरूरत।

पानी को बचाने की करो कसरत।  
आ मेरे संग चल, आ मेरे संग चल,  
बचाने के लिए अपना कल।

## कम्प्यूटर देवाय नमः

कुछ भी शुरू करने से पहले,  
श्री श्री कम्प्यूटर जी की जय कर ले।  
सब के दुखों के हरता  
आज कल यही है सबके करता धरता  
चाहिए हो टी.वी., फ्रिज या मोबाईल फोन  
सोचना न पड़ेगा मदद करेगा कौन,  
बस बोलो कम्प्यूटर देवाय नमः  
कुछ लज़ीज खाना हो या दोस्त बनाने हों  
सबका एक मंत्र, इस्तेमाल करें यह यंत्र  
और सभी बोलो कम्प्यूटर देवाय नमः  
कभी सोचा है आपने क्यों,  
मोटापे की बीमारी से जूझ रहा हमारा देश,  
जहाँ देखो सब के चेहरों पर मेक-अप का वेश,  
कब खा रहे हैं, क्या खा रहे हैं,  
पूरी दुनिया को सब बता रहे हैं,  
इसलिए सब बोलो कम्प्यूटर देवाय नमः  
आज तो हालत ऐसी है,  
माँ बच्चों के संग रहते हुए भी अकेली है,  
दो कमरों के छोटे घर में रहकर भी,  
दोनों के बीच मीलों की दूरी है,  
क्योंकि रिश्तों के बीच यह मोबाईल के लत की मज़बूरी है।  
फिर भी हम कहें कम्प्यूटर देवाय नमः  
मदर्स-डे का उत्सव आया  
एक दिन के लिए माँ की खुशहाली लाया,  
चारों तरफ माँ के साथ सेल्फी का दौर है छाया,  
अब इतना बढ़ गया है कम्प्यूटर का कहर,  
फिर भी देखो हम बोल रहे हैं कम्प्यूटर देवाय नमः।

## जीवन में स्वच्छता का महत्त्व

स्वच्छता का जीवन में अत्यंत महत्त्व है। अंग्रेज़ी में एक कहावत है— 'सत्य के बाद स्वच्छता का ही स्थान है।' इसलिए मनुष्य को अपने जीवन में सदैव स्वच्छता का ही ध्यान रखना चाहिए।

सफ़ाई दो प्रकार की होती है बाहरी और आंतरिक। बाहरी सफ़ाई से अभिप्राय है शरीर, वस्त्र, घर आदि की स्वच्छता। आंतरिक स्वच्छता से तात्पर्य है मन और हृदय की स्वच्छता।

इन दोनों में श्रेष्ठतर 'आंतरिक' स्वच्छता है, इसमें आचरण की शुद्धता जरूरी है। शुद्ध आचरण से मनुष्य के चेहरे पर तेज़ आता है।

बाहरी स्वच्छता से बालों की सफ़ाई, नाखूनों की और कपड़ों की सफ़ाई शामिल है। इन सब के बिना मनुष्य स्वस्थ नहीं रह सकता बाहरी सफ़ाई से हमारा अभिप्राय हमारे इर्दगिर्द की सफ़ाई से भी है जो हमें जल, वायु और धरती को स्वच्छ रखने की प्रेरणा भी देते हैं।

मनुष्य में स्वच्छता का विचार उत्पन्न करने के लिए शिक्षा का प्रचार करना अनिवार्य है। शिक्षा पाने से व्यक्ति स्वच्छता की ओर प्रेरित हो जाता है। ध्यान रहे बाहरी स्वच्छता का प्रभाव आंतरिक स्वच्छता पर भी पड़ता है। स्वच्छता ही उत्तम स्वास्थ्य का मूल है।

## उच्च व्यावसायिक शैक्षणिक शिक्षा संस्थानों की फीस कम की जानी चाहिए या नहीं

“ अशिक्षित को शिक्षा दो, अज्ञानी को ज्ञान, शिक्षा से ही बन सकता है, भारत देश महान ”

यह तो हम सभी जानते हैं कि आज़ादी के इतने वर्षों बाद भी हमारी शिक्षा पद्धति उसी पुराने ढर्रे पर चल रही है, जिस पर अंग्रेज़ों ने चलाई थी। उन्होंने हमेशा फूट डालो और राज्य करो की नीति का अनुसरण किया। शिक्षा का क्षेत्र भी इससे अछूता नहीं था उनका उद्देश्य था समाज को तरह-तरह से बाँटकर उनकी शक्ति को कम किया जाए। इसलिए शिक्षा को हथियार बनाया चुनिन्दा विद्यालयों में समाज के उच्च वर्ग व धन समपन्न लोग ही शिक्षा पा सकें और फिर वे ही दूसरों पर शासन करें। इन उच्च शिक्षा संस्थानों की सालाना लाखों रुपये फीस है, जिसको दे पाना आम आदमी के बूते से बाहर है। भारत जैसे विकासशील देश में जहाँ आम आदमी की औसत आय भी लाख रूपए सालाना नहीं है वहाँ एक षड़यंत्र है कि योग्य व मेधावी छात्र धन के अभाव में व्यावसायिक शिक्षण से वंचित रह जाता है, जिन पर उनका मौलिक अधिकार है, इन संस्थानों से निकल विद्यार्थी ऊँचे पदों पर नियुक्त होकर मोटा वेतन पाते हैं पर क्या छोटे कस्बों या गाँव में रहने वाले व्यक्ति अपने काबिल बच्चों के लिए ये सपना देख सकते हैं? नहीं और अगर सरकार की तरफ से कुछ पहल भी की जाए तो तीखा विवाद होगा और वे ऐसा होने नहीं देंगे। अंत में मैं यही कहूँगी कि अपनी गरीमा के अनुरूप अपनी योग्यता को आधार बनाएँ धन को नहीं ताकि भारत की उभरती प्रतिभाएँ इसका शिकार न हो। विद्यालय ज्ञान का मंदिर है, ये धन का केन्द्र न बने, व्यापार न बनने दें।

## मेरी जादुई दुनिया

मैं हमेशा से ही एक जादुई दुनिया में जाना चाहता था। मैं चाहता था कि मैं एक जादूगर बनूँ और एक ऐसी दुनिया में जाऊँ जिसमें जादू के बिना एक पत्ता भी अपनी जगह से नहीं हिलता हो। मैं अपने देश भारत को जादू के बल पर सारे जहान से अच्छा बनाना चाहता था। मैं एक सुपर हीरो बनकर मुसीबत में होने वाले लोगों की मदद करना चाहता था। मैं सोचता हूँ एक जादुई दुनिया में एक जादुई मंत्र भी होगा सारे लोग एक झाड़ू पर अपना जादू दिखाते और सब उड़ सकते थे। सबके घर की हर चीज़ में कुछ न कुछ जादू तो ज़रूर होता। अगर कोई खाना नहीं बनाना चाहता था, तो वो सिर्फ एक मंत्र पढ़ता और खाना अपने-आप बनकर तैयार हो जाता और किसी को भी मेहनत करने की ज़रूरत नहीं पड़ती। जादुई दुनिया का ख्याल मुझे अपने सपनों में आया था परन्तु मैं तो अपनी असली दुनिया में ही रहना पसंद करूँगा। मुझे मेरी जादुई दुनिया उतनी ही पसंद है जितनी मुझे मेरी असली दुनिया पसंद है।

# सूरज की पहली किरण

सूरज की पहली किरण आई,  
फूल और कलियाँ खिल आई,  
कोयल लगी सुनाने अपनी मधुर वाणी।

सूरज की आखिरी किरण के जाते ही,  
हो जाता है जग में अँधेरा,  
और सभी ढूँढते हैं अपना रैन बसेरा

सूरज की किरणों से,  
धरती में आई उमंग और खुशी,  
साथ देखने लगे नए दिन की खुशी,

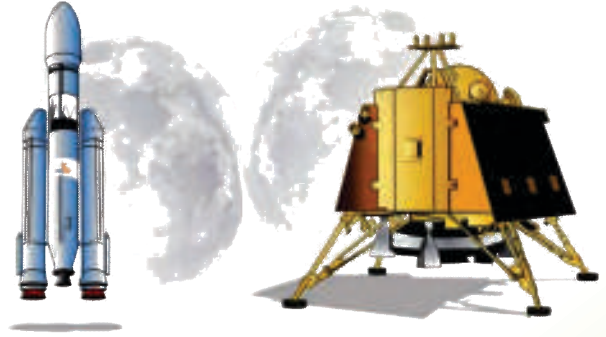

सूरज की पहली किरण से  
जाग उठता है चित्त हमारा  
और खिल उठता है जग सारा

सूरज की पहली किरण से होती है शुरुआत  
चिड़िया निकल पड़ती है  
ढूँढ़ने अपना खान-पान,

## सपने में चन्द्रयान की सैर

काली रैन में आया मुझे एक उज्ज्वल स्वपन,  
आकाश के तारे लगते चाँदी-स्वर्ण के रत्न।  
पहाड़ों में शिलाओं के बीच बहते हुए निर्झर,  
चंद्रमा लग रहा था जैसे हो संगमरमर।

चाँद सितारों के उस दृश्य की अलग ही थी चमक,  
और मुझे लग गई वहाँ जाने की ललक।  
तुरन्त प्रकट हो गया मेरे समक्ष, एक जादुई विमान,  
उत्सुकता से भरकर मैंने रखा नाम उसका चंद्रयान।

आदेश देते ही वह धूल धूसरित उड़ा,  
और ले आया सफ़ेद पाषाण चंद्रमा के पास।  
सोचा मैंने, लो कर ली आज मैंने चंद्रयान की सैर  
अब खूब नाम कमाऊँगी क्योंकि रखा है  
चंदा मामा पर अपना पैर।

ज्यों ही विमान से कूदी त्यों ही टूटा सपना,  
चंद्र पर वह पाँव का निशान नहीं होगा अपना।

सोच-सोचकर गम हुआ कि न जाने कब चमकेगी किस्मत  
कब मिलेगा मुझे अवसर, जाने के लिए उस जन्मत में।

# काटते जंगल या खुद को

जंगल क्या हैं? जंगल एक प्रकार का विशाल मैदान होता है जिसमें बड़ी संख्या में वृक्ष पाये जाते हैं इसके अतिरिक्त उसमें पेड़-पौधों की विभिन्न किस्में, घनी झाड़ियाँ, कई प्रकार के पक्षी और तरह-तरह के जंगली जानवर भी पाए जाते हैं।

जिस प्रकार से इंसानों द्वारा जंगल को लगातार काटा जा रहा है, कभी फैक्ट्री बनाने के नाम पर और कभी विकास के नाम पर, वनों की अंधाधुंध कटाई की जा रही है। जिसके कारण पर्यावरण का सन्तुलन लगातार बिगड़ रहा है। पेड़ हमारे जीवन की सबसे अनमोल वस्तु हैं जिसके कारण हमें ऑक्सीजन मिलती है और वह हमारे जीवन के लिए अत्यंत आवश्यक है। पेड़ों को काटना अपने जीवन को खत्म करने के समान है।

जंगल और उसमें रहने वाले जानवरों के बीच एक अटूट संबंध होता है। जंगल जानवरों का निवास होता है। यदि हम उनका निवास छीन लेंगे तो वह इधर-उधर भटकते रहेंगे। और शहर की तरफ पलायन करेंगे। इसलिए जंगल को काटना एक बड़ी मुसीबत को निमंत्रण देना है जो कि हमारे अस्तित्व के लिए एक खतरा होगा। अतः हमें जंगल को काटने के बजाय उसकी रक्षा करनी चाहिए।

यदि हम इसी प्रकार जंगल को काटते रहेंगे तो निश्चित रूप से प्रकृति का संतुलन बिगड़ जाएगा और बाढ़ जैसी आपदा का बार-बार सामना करना पड़ेगा और जीवन को बचाना मुश्किल हो जाएगा। इसलिए हमसे जितना हो सके उतने पेड़ उगाने चाहिए, न की पेड़ों को काटना चाहिए और इस तरह जानवरों का भी जीवन बच जाएगा।

इसलिए कहा गया है कि "पेड़ उगाओ और जीवन बचाओ"।

## हिन्दी बनी हिंग्लिश

आजकल लोगों के कपड़ों, बातों और विचारों में एक बदलाव आ गया है। रोजाना एक नई चीज़ या हस्ती का विचार और उसके कपड़े पहनने का ढंग उभर आता है। इसको हम 'ट्रेंड' के नाम से जानते हैं। उनमें से एक 'ट्रेंड' है हिंग्लिश का प्रयोग। हिंदी भाषा को और सरल बनाने के लिए लोग बीच-बीच में अंग्रेजी शब्दों का प्रयोग करते हैं। हिंदी और अंग्रेजी का मेल 'हिंग्लिश' कहलाता है। यह अब एक ट्रेंड नहीं अब एक आदत बन गई है। इसके अधिक प्रयोग के कारण लोग अब शुद्ध हिन्दी बोल या लिख नहीं पाते हैं यह अब एक काफ़ी बड़ा चिंता का विषय बन गया है क्योंकि हिन्दी हमारी मातृभाषा है और अंग्रेजी कुछ विदेशों की। भारत के सभी लोगों को हिन्दी बोलने और समझने का प्रयास करना चाहिए। इस प्रयास से हमें हिन्दी के शब्दों का अर्थ और प्रयोग समझ में आता है, हिन्दी के ज़्यादा प्रयोग से हमें हिन्दी की किताबें भी पढ़ना अच्छा लगता है। हमें अंग्रेजी भाषा का प्रयोग भी करना चाहिए है, दोनों भाषाओं पर एक 'पकड़' ही जिन्दगी में सबसे लाभदायक होती है।

## सपने में चन्द्रयान की सैर

मैं इसरो में एस्ट्रॉनोट था। हम सब ने मिलकर चंद्रयान का निर्माण कर लिया था। और हम सब उसमें बैठने के लिए स्पेससूट पहन रहे थे। उड़ान भरने के लिए जब एक घंटा रह गया था तब मेरी साँसें तेज़ हो गई थीं। हमें पता था कि या तो हमारा नाम इतिहास में लिखा जाएगा या हम विलीन हो जाएँगे हमें धरती से चाँद पर पहुँचने में 17–20 दिन का समय बताया गया था। धरती से चाँद के बीच में बहुत सारे पड़ाव थे और वह पल आ ही गया जब हम चाँद पर पहुँचने वाले ही थे। मैं चाँद पर कदम रखने वाला सौवा आदमी बनने जा रहा था। मैंने चाँद पर कदम रख दिया और भारत का झंडा लहराकर मुझे बहुत गर्व महसूस हो रहा था। लेकिन तभी मेरी माँ ने मुझे स्कूल जाने के लिए उठा दिया। मैंने अपने दोस्तों को अपने सपने के बारे में बताया लेकिन उन्हें विश्वास न हुआ, मेरा यह शानदार सपना मुझे हमेशा याद रहेगा, मैंने इस सपने के बाद निश्चय कर लिया कि मैं एस्ट्रॉनोट बनूँगा, व देश का नाम रोशन करूँगा और अंतरिक्ष में भारत का झंडा लहराऊँगा। मैं यह सपना अवश्य ही सच करके इतिहास में अपना नाम कमाऊँगा।

## सूरज की पहली किरण

सूरज की पहली किरण जब निकले,  
आँख खुल जाए सब जीव जंतु की,  
कोयल गीत गाए, मोर पंख फैलाए  
यहाँ तक की मुसकराए पेड़ भी।।

छुट्टियों के दिनों में झट-पट उठ जाएँ  
अपनी रसीली नींद से जगकर  
खेलने के लिए तैयार हो जाएँ  
सूरज की पहली किरण जब निकले  
सभी जीव जंतु उठ जाए।।

कभी-कभी हम रात भर जागे,  
इसकी एक झलक दिख जाने को  
ऐसा सुंदर नजारा हम कभी भूल न पाएँ  
सूरज की पहली किरण जब निकले तो,  
सभी जीव जंतु जग जाएँ।।

एक प्राणी के जीवन में  
होता है यह अत्यंत महत्त्वपूर्ण  
अगर सूरज की किरण हम पर न पड़े  
तो नहीं मिलता किसी को सुकून।।

## पैसों की आत्मकथा

आज मुझे पैदा होकर इस संसार में आकर बहुत ही अच्छा लग रहा है। मेरा शरीर सुंदर चमकदार है इसलिए दूसरे पैसों से ज्यादा अच्छा लग रहा है। परन्तु पता नहीं यह आदमी मुझे कहाँ ले कर जा रहा है। अरे! यह क्या? इसने तो मुझे दूसरे आदमी को पकड़ा दिया और स्वयं टॉफी खा रहा है। और इस दूसरे आदमी ने मुझे एक बंद कमरे में डाल दिया। यहाँ मेरे कई और साथी भी हैं। उनसे मेरी दोस्ती हो गई है हम सबको बाहर फ़ैला दिया गया है। यह मैं कहाँ चलता जा रहा हूँ। मैं तो गिरने वाला हूँ। पर उस आदमी ने मुझे पकड़ लिया और दूसरे पैसों के ऊपर फेंक कर चलता बना, उस आदमी ने मुझे दूसरे को और दूसरे ने तीसरे को दिया। इस प्रकार मुझे यहाँ से वहाँ धुमाया जा रहा है। आज मेरा अंतिम दिन कल मुझे पिघलाकर नए पैसे बनने वाले हैं। इस खतरनाक दुनिया में मुझे पैदा हुए अभी एक साल भी नहीं हुआ और मेरा अनादर करके मुझे मार दिया गया।

## Linking rationale and emotion: 'The harder you work, the harder it is to surrender'

Parents hold on tightly to their children's education as a good school. When would be the right time to let go? This is a question that parents and students alike must ask themselves. The school should be a place where the child can learn to think for himself and not just follow the teacher's lead. # School Song

- Step together, boldly tread,  
Firm each foot, erect each head,  
Fixed in front be every glance,  
Forward to success advance,  
Loyal hearts we nothing dread,  
Like a deer in mountain heather  
Tread light,  
Left Right.  
Steady students step together (twice).*
- Step together boldly stride,  
Comrades all side by side,  
Brave in act and pure in mind,  
Each one's single power combined,  
Moving on with steps sustained,  
Thus prepared we care not whether,  
Foes smite, left right  
We shall march and sing together (twice).*
- Step together self-restrained,  
Let us show how we are trained,  
Ever keen in work and play,  
We grow better every day.  
Raise the flag with joy and pride.  
St. Mary's flag in any weather,  
Proud sight,  
Left right  
Steady students step together (twice).*
