### INTRODUCTION OF PRE-SCHOOL(NURSERY) CLASSES

*"A child must know that he/she is a miracle, that since the beginning of the world there has not been, and until the end of the world there will not be another child like him/her." – Pablo Casals*

Dear Parents,

We are happy to announce the opening of the much awaited Nursery Classes from the Academic Session 2023-2024. This milestone marks the beginning of a new chapter in our school's history and I am thrilled to be sharing this moment with all of you.

As we embark on this new journey, we do remind ourselves that education is not just about acquiring knowledge and skills, but about developing a sense of curiosity, creativity, and compassion. A school is not just a building with walls and desks; it is a community of learners, teachers and parents working together to create a better future. It is a place where young minds are nurtured and shaped into responsible, caring and successful individuals of tomorrow.

Mount St. Mary's Delhi Cantt is built on the values of respect, inclusivity and excellence. We are committed to providing a safe, innovative, nurturing and stimulating environment for all our little ones, with age-appropriate learning apparatus and equipment that will encourage learning, creativity and exploration.

We have a team of highly spirited and dedicated teachers who will work tirelessly to help our students reach their full potential. We believe that every student has unique gifts and talents, and it is our responsibility to help them discover and develop these talents.

We look forward to an exciting year with the tiny tots around us. MSM will become more vibrant with their chatter and laughter. You may pass the word around to those who wish to apply for the admission.

Regards,

Bro. Tomy Varghese
